

Centre for Career Education Vision:

Our vision will be realized when:

1. All University of Windsor graduates have the skills, knowledge, confidence and opportunity to embark on a fulfilling career path
2. All University of Windsor students have the opportunity to strengthen their degree programs through some form of experiential learning supported by the Centre for Career Education
3. The Centre for Career Education regularly assists faculty members in the development, implementation and evaluation of experiential learning within academic departments and courses
4. All students who participate in experiential learning are engaged in meaningful, active reflection of their experiences
5. The Centre for Career Education is recognized by students, employers and faculty as the leading campus resource for career-related initiatives and curriculum
