Sociology

SOCIOLOGY

SOCIOLOGY AND CRIMINOLOGY

Skills and Knowledge of Sociology Graduates

PROGRAM HIGHLIGHTS

Sociology

Sociology is the study of societies, social life, and social change. It investigates social, cultural and demographic issues in Canada and around the world. A degree in sociology offers you rigorous training in fundamental research, analytical, and communication skills, research ethics, social research techniques and design, and theory. Our program is research-driven and attentive to global, national, and local dynamics and issues. A foundation for a career in immigration, social service and community agencies, business, or advanced research.

Sociology and Criminology

This program combines sociological and criminological thinking and approaches to understand social relations, social institutions, organizations, interpersonal interactions, criminal activity, legal issues, and the criminal justice system and challenge common sense assumptions.

FUNCTIONAL KNOWLEDGE

- Understanding human behaviour, communication, and interaction from a social perspective
- Appreciating contemporary social, community and ethical issues and related public policy
- Understanding and applying behavioural components of sociological theory
- Understanding the ways in which various social, cultural, and community groups interrelate
- Conducting, explaining, and interpreting sociological research and applying the findings
- Appreciating the respective roles of various governmental, community, and social institutions

Degree Title / Program	Minimum Average	Admission Requirements
SOCIOLOGY	70%	ENG. required.

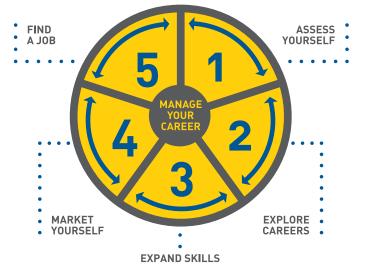

- Courses of study specific to each program
 - Activities and experiences that complement coursework (Outstanding Scholars, peer mentoring, VIP)
 - Activities falling outside of the scope of set curriculum (Part-time job, clubs, volunteering, athletics)

Build your Skills and Experience

Your UWindsor experience is more than attending classes. It is a combination of academics, co-curricular activities, and extracurricular involvement. By making the most of all three elements of your university experience, you will maximize your opportunities to build your skills, broaden your personal network, and clarify your long term academic and career goals.

Career Planning Guide

Intentional career planning will help you prepare for your next step after graduation. It is a fluid, dynamic, and continuous process, meaning you can move on or return to an earlier stage at any time. You can even work through simultaneous cycles, like one for your long-term dream job and another for a summer job.

Opportunities **Using This Guide**

Explore a selection of opportunities recommended for students in your program. This chart shows some of your many options – you don't have to do everything on it or limit yourself to it. Engage in opportunities from each of the three categories to set yourself up for success:

High-Impact Practice (HIP)

A HIP is an enriching educational experience that can be life-changing and often includes learning outside of the classroom while encouraging meaningful interaction and collaboration, such as:

- Co-op, internship or field experiences
- Research with faculty
- Culminating senior experience
- Capstone courses
- Service-learning
- Learning communities
- Study abroad

First Year

- Review degree course requirements
- Enrol in a variety of social science courses to determine your core interests
- Meet with an academic advisor
- Receive peer mentorship from members of the Sociology and Criminology Student Association

Middle Years

- Take required courses and check in with academic advisor to make sure you are on the right path
- Look into completing a research project in final year
- Begin taking courses in accordance with an Anthropology minor or a minor in another discipline
- Seek out courses that offer field experience
- Start taking courses required as pre-requisites for graduate/professional school
- Consider declaring a minor and/or specialization

Final Year

- Meet with an academic advisor to go over degree
- Complete all required courses for your degree
- Apply to graduate through MyUWindsor Portal
- Work with a faculty member on a research project or publication HIP
- Take a final year practicum course in Sociology with a focus on the city HIP
- Take a field work course to culminate your senior experience

Academics

- Explore available Criminology and Sociology potential research assistantships or field placements
- Apply for a co-curricular experience such as **VIP**
- Volunteer with local government, non-profit or a social justice community organization
- Investigate research opportunities as part of the Outstanding Scholars program HP
- Research student exchange opportunities for middle years
- Join clubs such as the **Sociology and Criminology Student Association, Social Science Society or UWSA**
- Participate in the Bystander Initiative workshop to gain skills that will help you be an effective and supportive ally to prevent sexual assault on campus

- Join a professional association in your field such as the Canadian Sociology Association or Canadian Anthropology
- Join the **Debate Team** to compete locally and internationally
- Participate in **UWill Discover** undergraduate research conference HIP
- Volunteer with a community organization such as **Hiatus** House or Children's Aid Society
- Apply for student exchange program
- Expand your skills by taking on a summer, part-time or volunteer position
- Look for a leadership role in a club or society

- Become a teaching assistant or research assistant with a faculty member HIP
- Run for a **UWSA** executive position
- Conduct field research with faculty member
- Become a tutor for Students Offering Support (SOS)
- Join the UWindsor Model NATO or Model United Nations

- Create a list of things that you enjoy, areas in which you excel, and your skills
- Meet with a career advisor in **Career Development** and Experiential Learning (CDEL) for help developing a plan for your future years
- Consider a career assessment workshop or appointment to help you identify possible career paths
- Get involved with a part-time job, volunteer opportunity, campus group, or research assistantship
- Attend CDEL workshops to learn how to find a summer or part-time job and write a resumé and cover letter
- Drop in to meet with one of **CDEL**'s peer advisors to get answers to your career and job search questions

- Research career fields and occupations with the help of a CDEL career advisor
- Explore opportunities and meet employers through job fairs and employer networking events
- Explore further educational opportunities by attending the **Graduate and Professional Schools Fair** and researching admission requirements for programs you are interested in
- Attend CDEL's Using Social Media to Leverage Your Career workshop
- Create a **LinkedIn** profile and have it critiqued
- Take part in informational interviews and use sources like **LinkedIn** and **Ten Thousand Coffees** to meet people in your targeted profession
- Search job postings to learn what skills, knowledge, and credentials you will need for potential careers

- If you are considering applying to graduate or professional school, be aware of early application deadlines
- Meet with **CDEL** to prepare application documents like a resumé, cover letter, CV, or personal statement for jobs and education programs you are applying to
- Attend an Interview Skills Workshop and Job Search Tips Workshop
- Use **InterviewStream** to practice your interview skills online
- Set up an in-person mock interview with a career advisor for professional school or job applications
- Meet employers at the annual job fair in January
- Compose a portfolio of relevant academic and work experience

Sociology

Life After Graduation

Number of Sociology Graduates (2017)

95-70/6

"Engaging in various campus club activities relating to my major was the greatest asset towards improving my resumé. From being able to network with United Nations leaders from all over the world, as well as becoming a well-rounded candidate for job applications, I can confidently say that getting involved with University of Windsor campus clubs could be every students' peak of their educational career."

Alaina Jraige – BA (Honours) in Sociology [2018]

Employment rate of graduates 2 years following degree completion (OUGS Social Sciences, 2014)
