

# Succeeding in University

## *No Matter Where You Go*

Find out how you can:

- Navigate your way through the university application process.
- Finance your education with scholarships and work experience jobs.
- Understand what university is all about and what it means.
- Enjoy - rather than just survive - the first year!

Learn how an engineering degree can help you get the career you want.

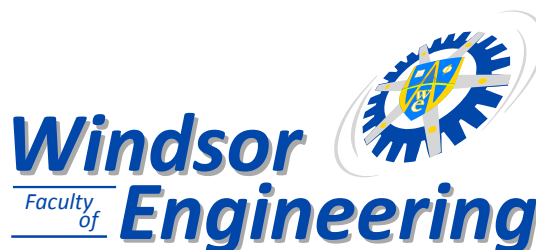

**This information forum is free and we encourage you, your friends, and parents to attend.** The information presented will generally apply to anybody considering engineering studies – or university in general - in Ontario.

Not yet in Grade 12 but thinking about coming to university and studying engineering? This is your chance to ask questions early! High school students can enter a draw to win a \$500 UWindsor Engineering Tuition Certificate.

**Thursday, January 17<sup>th</sup>, 2008**  
**5:00 pm to 8:00 pm**  
**Presentations begin at 6:00 pm**

**Art Gallery of Windsor**  
**401 Riverside Drive West**  
**Windsor, Ontario**
