

**University of Windsor Faculty of Engineering
welcomes prospective students and their parents
to a free open house & forum:**

SUCCEEDING IN UNIVERSITY

Thursday, January 7, 2010

6:00 to 8:30 p.m.

Presentations at 6:30 p.m.

**University of Windsor/Chrysler Canada Inc.
Automotive Research & Development Centre (ARDC)
3939 Rhodes Drive, Windsor**

Find out how to:

- Decide which of our five engineering programs might be right for you.
- Apply to university, scholarships, and work experience opportunities.
- Enjoy - rather than just survive - first year!
- Use your engineering degree to help you get the career you want!

**The information will apply to anyone considering
engineering - or university in general - in Ontario.**

**High school students can enter a draw to win a
\$500 University of Windsor Engineering Tuition Certificate**

Come discover why engineering can be a great choice!
