Master of Management

Program Details

Investing in your education with the Master of Management will provide you with thorough business knowledge that will serve as a foundation throughout your career. This program will help you to become a professional and leader in the international business world. You may go on to pursue a career in manufacturing, accounting, logistics or human resource management to obtain employment in Canada or abroad.

You will choose to study in one of four distinct management areas:

- International Accounting and Finance
- Logistics and Supply Chain Management
- Human Resource Management

You will study and live in Canada for approximately 16 months. This program includes 12 prescribed courses completed over 4 academic terms. All concentrations begin in September or January.

In addition to your academic studies, you will also participate in the Master of Management Employment Program. Facilitated jointly by the Odette Career and Placement Services and the Centre for Executive and Professional Education, this program will guide you toward the development of your Career Portfolio and build the skills necessary to obtain employment upon graduation.

Picture Yourself Here

The University of Windsor campus is large enough to offer plenty of variety, and yet it's small enough for you to be known by name.

You will find unlimited opportunities to get involved in academic, recreational and social activities—whether to broaden your mind or your circle of friends.

The International Students Society and numerous other student clubs provide friendship and support, as well as academic, social and recreational activities.

At the St. Denis Athletic Centre, you can jog on the indoor track, swim laps in a large indoor pool or work out in our new state-of-the-art weight and exercise rooms.
