

University
of Windsor

Welcome!

Faculty of Nursing

We Acknowledge.

The **University of Windsor** sits on the traditional territory
of the **Three Fires Confederacy of First Nations**,
comprised of the **Ojibwa**, the **Odawa**, and
the **Potawatomi**. In making this land acknowledgement
we recognize our obligation to continue to do the work
to address systemic and historic injustices.

Incoming Year 1 BScN Students

Please be advised that all clinical placement sites are requiring students to be **fully** vaccinated (i.e., two doses) for COVID-19 (read [Pre-Clearance Process Information Sheet](#)). Students who are not **fully** vaccinated cannot be provided with a clinical placement and cannot progress in the nursing program. Individual clinical placement agencies **may** require COVID-19 booster shots, however, students are informed prior to placement if this requirement is in effect. If you have any questions about the COVID-19 vaccine requirement, please contact Katharine Maclean, Clinical Placement Coordinator at katharine.maclean@uwindsor.ca.

How do I register for classes?

First-Year Students
You may start to **register** in late May for Fall semester as long as UWindsor has received your confirmation of our Offer of Admission.

You'll need to log in to [UWinsite Student](#) with your yourUWinID@uwindsor.ca and UWin Account password to start **registering** for **classes**.

You can find the steps to **register** for your **classes** at: [How do I register for classes?](#) The [Plan Your Program](#) site also lists courses available to first-year students, provides a guide to most first-year course selections and outlines options or recommendations for other courses.

Note: It is important to **register** early to get a better chance of getting into the courses that you want to take. You may make changes to your courses, up to the tenth day of **classes** as long as there is space.

GET INVOLVED IN NURSING RESEARCH AND SCHOLARSHIP!

Join the Nursing Research and Scholarship Collaborative

WHAT:

- ✓ A space to share your research and scholarship interests and skills for volunteering.
- ✓ A means to connect you with nursing faculty who match your interests and have active projects where you can help and gain experience.

HOW:

- ✓ Create a statement of interest
- ✓ Get a letter of support from a faculty member
- ✓ Upload to application to Qualtrics portal

WHY:

Because nursing research and scholarship improves people's health and drives decisions that improve health care for all.

Nursing

University of Windsor

Outstanding Scholars

Full Scholars

- Do research and work with faculty!
- 6 paid placements
- \$17.75/hr (yr 2)
- \$18/hr (yr 3)
- \$18.25/hour (yr 4)
- OS Candidates in good standing and the top students in their cohort are invited to apply.

International Exchange Opportunities

- Australia- Winter of 3rd Year (*may not be available*)

- & much more!

Learning Accommodations & Student Accessibility Services

Student Accessibility Services (SAS)

Register every semester

Does not automatically transfer from your high school / college

Intake and registration done online. Students are contacted by an advisor within the SAS department (by email)

Communicate with your course professor at the beginning of the semester regarding what accommodations you need to use for each course.

Communicate with your course professor prior to midterms / finals to confirm accommodates are in place.

Did you have Learning Accommodations at your previous institution?

1. Fill out an intake form at www.uwindsor.ca/sas
2. An advisor will be assigned to you and reach out to make an appointment
3. Gather your medical information from your previous institution to be accommodated here at the University of Windsor

Have you heard about our counselling resources?

If you need some extra support, contact Student Health, Counselling & Wellness to schedule an appointment with Laura Little, our Nursing Clinical Therapist

email: scc@uwindsor.ca

in person: CAW Student Centre 2nd floor, room 293

Or via telephone 519-253-3000 x4616

Student Health, Counselling & Wellness

Laura Little, MSW, RSW
Clinical Therapist, Faculty of Nursing

Nursing Student Support Centre
Room 201-A
Toldo Health Education Building

It is **normal** to need support when facing a challenge or experiencing painful emotions.

Asking for help is **always strong** and brave, it is never weakness.

By reaching out for support, you are taking **care** of yourself and working to find a way through the challenge. This is **resilience** in action.

At UWindSOR, we want you to tell us if you are struggling so we can **support** you. There are **safe**, caring professionals who are here to help. You are not alone.

When should I seek professional help for my mental health?

"I'm struggling... but I'm not sure if I need counselling"

You could benefit from student health, counselling & wellness services if:

- You are having difficulty with your daily living routine (trouble sleeping, eating, attending classes, feeling isolated etc.)
- You are having a hard time coping or adjusting to changes
- You are struggling with difficult or upsetting thoughts or feelings; or there is a troubling situation you are dealing with.

Students make appointments for many different reasons:

Panic and/or Anxiety

Depression

*Relationship issues
(family, roommates,
significant others)*

*Processing difficult
events*

Substance use

Disordered Eating

Boundaries

*Abuse (verbal, emotional,
physical, sexual)*

Trauma

Grief

Suicidal thoughts

What kind of help is available to me if I am struggling?

- **Single Session** – if you have a specific issue and would like to talk to a professional, you can choose a single session to get a different perspective or some tools to use. This is a one-time, single counselling session.
- **Group Sessions** - Whether you want to overcome challenges, improve relationships, connect with others, or learn new skills, there is a place for you.
 - **CBT**- learn how to use Cognitive Behavioural Therapy (CBT) tools to help manage anxiety & your mood
 - **ADHD** - improve your executive functioning, learn skills to manage symptoms associated with ADHD
 - **DBT** - learn skills to improve relationships, deal with conflict, manage your emotions, cope with distress, and be more mindful.
 - **Plus, many more!** 2SLGBTQIA+ & Black student specific groups, social anxiety, self-compassion- just check the [link](#) to see what is offered each semester
- **Brief Initial Consultation** – if you aren't sure where to start, or think you might need more than one session, you can ask for a brief initial consultation. We will assess your situation and set you up with a course of action- whether this be referrals to resources and programs on or off campus, or short-term counselling here, our therapists can help point you in the right direction.

How do I access services?

1. Contact the [Student Counselling Centre](#) by phone, email, or in person:
 - 519.253.3000 ext. 4616
 - scc@uwindsor.ca
 - CAW Student Centre 2nd floor, room 293 (Mon-Fri 8:30am-4:30pm)
2. Our office administrators will give you confidentiality & informed consent documents to register for our services. They will also ask what service you are interested in (single session, group, initial consultation) and how you would like to connect. Our services are offered **in-person, via secure videoconference, or by telephone**
3. After the forms are completed, they will schedule you for an assessment and/or a single session.

Our services are confidential and offered at no additional cost to students currently enrolled at the University of Windsor

You Deserve Support. We're here for you.

The University of Windsor has many mental health & wellness resources available to you

Visit the [Student Health, Counselling & Wellness](#) website for more resources including:

- On & off campus resources
- 24/7 Crisis & Urgent supports
- Online self-help modules

Clinical Placement Information & Updates

Pre- Clinical Clearance:

- Verified Synergy Gateway: You will get an email with the subject line: "Your Access to the Synergy Gateway Website" from the email address: helpdesk@synergygateway.com
- You must use your uwindsor email address and the password they send in the activation email to do your initial log in.
- On the Synergy platform there are helpful videos available under the Video library tab
- **Due date:** October 15th 2025
- Start early some requirements take a long time to obtain
- **For students who are not yet 18:** you cannot get your VSS yet however you can still complete all your other requirements and complete your Synergy review appointment.
- You will get a conditional pass for your VSS for 10 weeks after your 18th birthday
- Please order your VSS as soon as you turn 18 as these can take 8-10 weeks to return

Clinical Placement Information & Updates

For questions and more information about your preclinical clearance there will be drop-in sessions available on teams

The links are posted under the year 1 current students tab on the main nursing site

Dates for the drop-in sessions:

Online Year 1 Preclinical Clearance Drop-in Session- July 15th from 10:00 am- 11:00am

- [Year 1 Preclinical clearance drop-in session link July 15th 2025](#)

Online Year 1 Preclinical Clearance Drop-in Session- July 17th from 3:00pm-4:00 pm

- [Year 1 Preclinical clearance drop-in session link July 17th 2025](#)

In person Year 1 Preclinical Clearance Drop-in Session- September 10th 1:30pm-3:00pm

- Room location: TBD

Upcoming Events

UWindsor Welcome Week – registration now open

- Aug 31st – Sept 7th
- Registration is open now for Welcome Week!

Year 1 Program Orientation (Mandatory & in person)

- **Sept 3rd - 8:30am; Toldo Room 100**
 - Lunch provided
 - Bring a reusable water bottle

How can I prepare for September?

Nursing
University of Windsor

Lacey Rivest

MIN RN BScN CHPCN

Clinical Lab Coordinator

genlab@uwindSOR.ca

Clinical Learning Centre (CLC)

- Lab space on campus and virtually.
- Resource for students, faculty, and staff.
- Provides learning opportunities through appointments with peer mentors (in person and virtual) and open lab practice.
- A safe, judgement free atmosphere to ask questions about skills, clinical assignments, and much more.
- The CLC consists of the General (GEN) nursing lab and the Simulation (SIM) nursing lab.

General Nursing Lab

The general lab is located in Toldo and the Medical Education Building (MEB). These two buildings are attached.

The general lab consists of:

- Main office (Toldo 210)
- 6-bed practice lab with mid-fidelity manikins (Toldo 212)
- 6-bed nursing skills lab including a medication room with a PYXIS (medication dispensing machine) (Toldo 214)
- 4-bed practice lab with mid-fidelity manikins (Toldo 209A)
- 2-bed practice lab (Toldo 209B)
- 7-bed practice lab (MEB 2128)
- 8-bed experiential learning lab (MEB 3129)
- 2 primary care rooms with viewing station (MEB)

General lab information

- The general lab is open for a variety of hours to meet the nursing student's needs.
- We book peer mentor appointments so you can have one on one time with a peer mentor.
- We offer virtual appointments.
- The general lab provides support, education, and expertise to assist the nursing students to be successful with hands on skills at their clinical settings.
- Information is posted on the CLC Brightspace site.
- Email: genlab@uwindsor.ca

General Lab Team Members

- **Clinical Lab Coordinator:**
Lacey Rivest MN RN BScN CHPCN
- **Peer Mentors:** 3rd and 4th year nursing students hired to work in the general lab. They help the students with hands on skills, answer questions, and support the nursing students in all levels.

Simulation Lab

- Students in all levels participate in a SIM experience.
- SIM is an amazing experience where you will learn and collaborate with your team to care for your patients.
- It helps to prepare you for possible clinical experiences.

Simulation Lab

The SIM lab consists of:

- 1-bed palliative care room with viewing room (MEB 3117)
- 4-bed simulation lab with viewing room and debriefing area (MEB 3127)
- 1-bed simulation lab (MEB 3134)
- Many high-fidelity manikins
- 3 faculty offices

SIM Lab Team Members

- **Experiential Learning Specialist:**

Professor. Amanda McEwen, RN, MScN, BSc (Bio.), CCSNE

- **Peer Mentors:** 3rd and 4th year nursing students hired to work in the SIM lab. The peer mentors are specially trained to assisting with running the simulation experiences.

Peer Mentor Program

3rd and 4th year nursing students

Hired into the lab to be a resource to students

Work in either the General Lab or Simulation Lab

Duties:

- Assist with skill practice through virtual and in-person appointments
- Answer questions
- Observe and give feedback on technique
- Assist with organization of lab equipment and supplies
- Assist with lab setup for scheduled labs
- Assist with stimulation labs

Resources for Fall 2025

- Clinical Lab Coordinator and Peer Mentors through appointments, and email.
- Brightspace site: Clinical Learning Centre
 - Has resources, skills videos, announcements regarding hours, appointments, information about lab expectations and much more information.

Please add an email signature to your uwin email with your name, year of study and any other important information.

BScN Scrubs for Clinical and Lab

Scrubs

Sleeve with embroidery

Lab Kits

- Each first-year student will receive a lab kit which will include equipment and supplies needed for your experiential learning lab and preparation for clinical experience. The cost of the kit is included in your lab fee as part of your tuition. Lab kits will be provided in your first week of experiential learning labs.

Lab kits contents

- Wound care dressing tray
- 100ml Normal Saline
- 4x4 Sterile Gauze
- 5x9 Abdominal Pad
- 1" Transpore Tape
- Bandage Scissors
- 6" Ruler (medi-meter)
- Penlight
- BP cuff

*subject to change

Experiential Lab Guidelines

- Wear scrubs, clinical shoes, and clinical ID badge to lab with a watch with a second hand
- No food or drinks in any lab rooms
- Respect the equipment and property in the rooms
- No pens around any simulation equipment or lab models

University of Windsor

Winter 2023 Patient Safety Learning Series Virtual Events

1. The Importance of Mindfulness for Patient Safety

Wednesday, March 22, 2023
1:00 pm to 2:00pm via Microsoft Teams

With Jennifer-Grace Sharrow, RN, MN (student),
Critical Care Nurse, Beaumont Dearborn, Michigan,
Certified Yoga Instructor

Mindfulness contributes to the ability to respond effectively to stressful situations. Studies support that healthcare providers who practice mindfulness are happier, safer, and calmer. Jennifer-Grace Sharrow is a critical care, registered nurse and yoga instructor who has explored mindfulness during her studies. This presentation will identify how mindfulness can be used to enhance quality of care, patient safety, and joy in work.

for access to live or recorded event

2. Engaging in Meaningful Relationships with the Indigenous Patient

Monday, March 27, 2023
1:00pm to 2:00pm via Microsoft Teams

With Sara Williams, RN, MN, Indigenous
Curriculum and Pedagogy Advisor, UofW Faculty
of Nursing

The presentation will enhance understanding about intergenerational trauma due to the impact of colonization. Participants will learn about how to initiate a respectful and trusting relationship with the Indigenous patient. Sara Williams is an indigenous registered nurse with over 10 years experience working in indigenous health. Sara also led the indigenous COVID vaccinations in our local community by putting culture first.
