Faculty of Nursing

Master of Science in Nursing (MScN)

The Master of Science in Nursing (MScN) is a **thesis-based** degree program, and has two specialization/field options: Advanced Clinical Practice Nursing Field and Nursing Leadership Field.

Essential Academic Requirements

- Must have a Bachelor of Science in Nursing or equivalent which includes physical assessment, and courses in research and statistics. Consideration may be given to nurse applicants holding degrees in other cognate disciplines.
- Must have maintained a minimum 70% average in the last two years of their undergraduate program.
- Must be eligible for a current certificate of registration with the College of Nurses of Ontario. (www.cno.org)

Program Intake: Annually each September

Application Deadline: February 1st

Mode of Instruction: In Class

Application: www.uwindsor.ca/graduate

Program Length: Three years full-time or five years part-time
