

Seeking mature post grad female student or similar situation.

Willing to trade free 2nd floor furnished apartment with all utilities and modern amenities for over night observation of pleasant, alert, elderly woman.

Position is based in woman's own home, centrally located in Windsor near major bus line.

Requires no medical attention, no cooking, no bathing - all taken care of by day time health care workers and family members.

Will consider someone who is prepared to sleep in separate bed room on ground floor apartment minimum 5 nights per week.
