Students should keep this checklist throughout their time in the Law and Politics program and consult it with the academic advisor before registering for courses each semester. While this form is **not a substitute for the official degree audit from the Registrar's office**, it should help students plan their academic schedule and stay on track within the program. The program requirements and options listed below are current for **students entering in the Fall 2023 semester**. There are minor differences for students who started the Law & Politics program prior to Fall 2021; check the official requirements on the registrar website or speak with the Political Science academic advisor for your specific requirements.
