C. Committee's Overall Evaluation of Teaching Ability and Performance

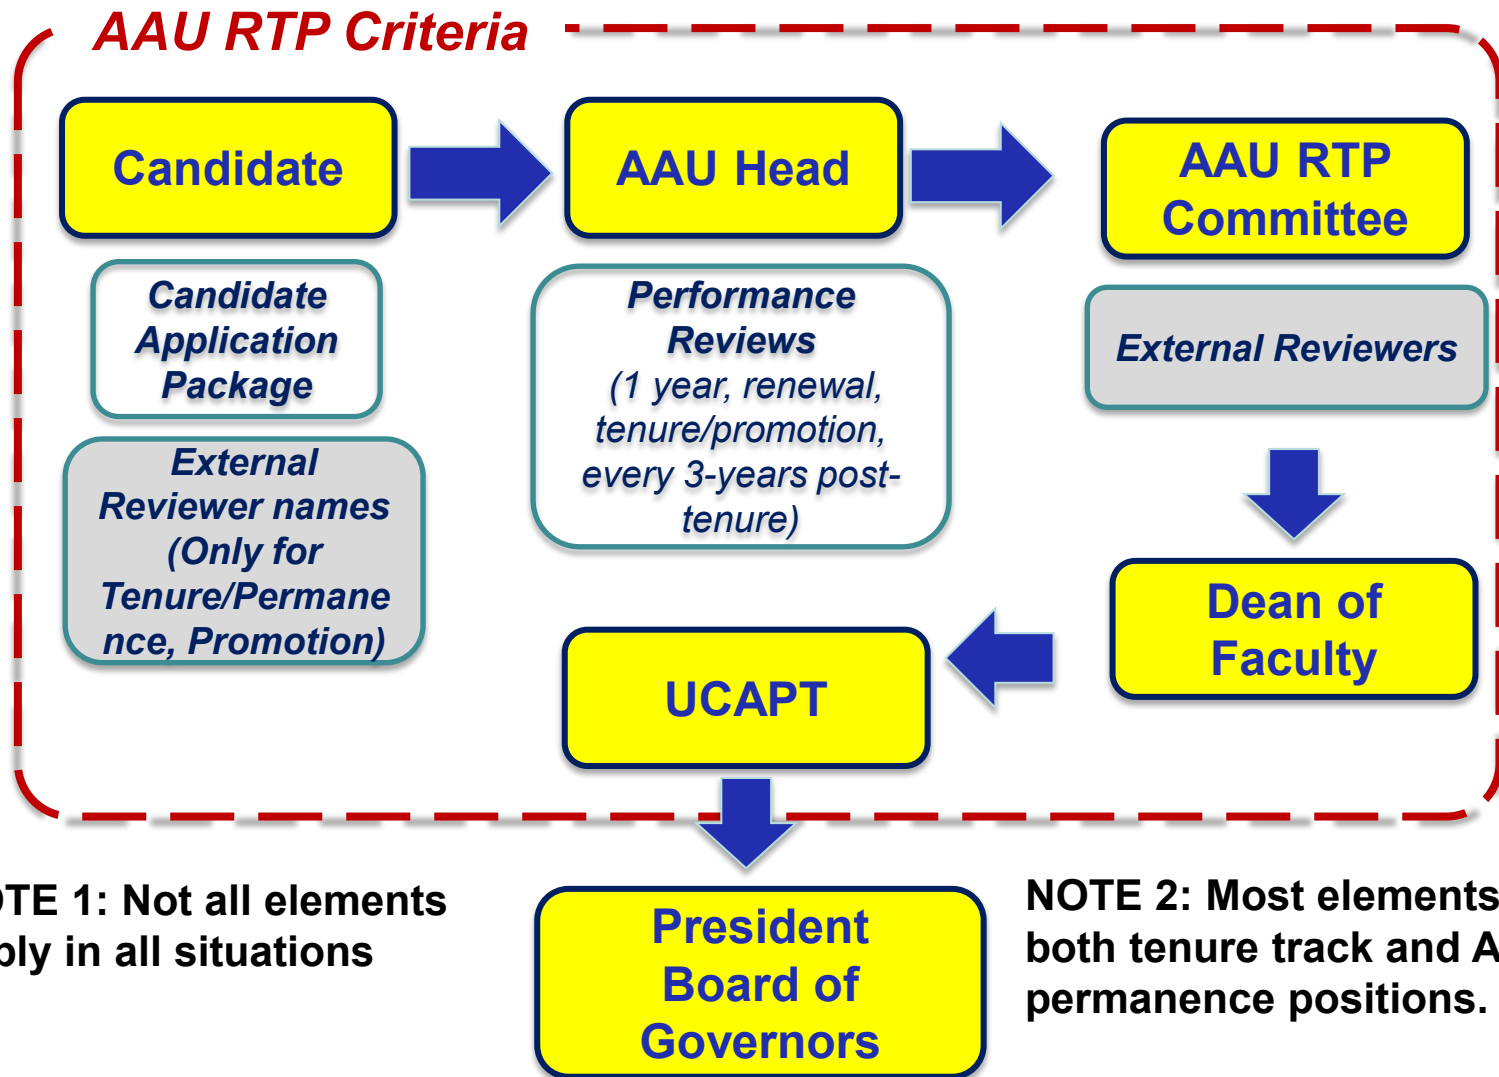

Modify rubric to be appropriate for AAU

Evaluation Level	Description. These descriptions are only guidelines to understand the broad differences between evaluation levels. These descriptions are for illustration only, and not all may apply. AAU RTP/RPP committees may redefine this rubric as appropriate.
Unsatisfactory	The candidate has performed well below normal expectations as outlined in the teaching criteria. The teaching methods and approaches employed may be inappropriate or inadequate for the intended learning outcomes. The relationship the candidate has established with students is poor and is detracting from effectively teaching the expected content. The candidate has demonstrated little or no initiative to improve teaching through additional training and/or mentorship opportunities, nor have they acted on meaningful feedback.
Satisfactory	The candidate has performed within the bounds of normal expectations as outlined in the teaching criteria. The teaching methods and approaches employed generally fulfil the intended learning outcomes. The candidate has a productive but not remarkable rapport with students. Lesser performance in one aspect (e.g., in class instruction) may be balanced by greater performance in another aspect related to teaching (e.g., student supervision). The candidate is aware of opportunities to improve teaching (e.g., workshops, etc.) but may have only participated in limited opportunities.
Good	The candidate has performed above normal expectations as outlined in the teaching criteria. The teaching methods and approaches employed fulfil the intended learning outcomes, and has stimulated the interest or enthusiasm of students and others. The candidate has a productive rapport with students. Lesser performance in one aspect (e.g., in class instruction) may be balanced by significantly greater performance in another aspect related to teaching (e.g., student supervision).
Excellent	The candidate has performed significantly above normal expectations as outlined in the teaching criteria. The teaching methods and approaches employed fulfil the intended learning outcomes, and has stimulated high levels of interest or enthusiasm by students and others. The candidate has a strong, productive rapport with students. The candidate may provide superior mentorship or assistance to students within the context of teaching.

Clearly state and comment on how the applicant has performed with respect to specific AAU RTP/RPP criteria.

Key Components Overall RTP Process

NOTE 1: Not all elements apply in all situations

NOTE 2: Most elements apply to both tenure track and AAS permanence positions.

Role of the University Committee on Academic Promotion and Tenure (UCAPT)

- Ensure fair process at faculty or AAU RTP/RPP committee.
- Review criteria/standards.
- Review application of the criteria/standards.
- Review evidence applied.

RTP/RPP Criteria

- Review annually – must have AAU, Faculty Coordinating Council and UCAPT approval (Bylaw 22.4.1-22.4.1.2).
- Known to the candidate.
- Reasonable within discipline and unit. Measurable wherever possible.
- Provided to external reviewers (permanence, tenure, promotion) to provide guidance for external assessments.
- Candidates may follow the AAU criteria and standards in place at the time of their initial appointment or any AAU criteria and standards approved thereafter. (Bylaw 23.2.2)

Ask your AAU for the latest criteria.

Example: RTP Criteria from Kinesiology 2021 (Teaching Section)

Criterion 5: Demonstrated ability to attract and successfully mentor and train students in research		
	Associate Professor	Professor
a) Successful undergraduate and graduate student recruitment and retention, supervision, and mentorship	Evidence that undergraduate and graduate students were recruited based on the candidate's reputation and actions.	Sustained evidence that the candidate attracts undergraduate and graduate students, and successfully supervised/mentored them to high achievement. For example, high achievement could imply post-doctoral positions, internship/job placements, research and grant success.
b) Undergraduate and graduate student application to external funds	Evidence that undergraduate and graduate students applied for external funding opportunities (e.g., tri-council/OGS funding).	Sustained evidence that undergraduate and graduate students applied for external funding opportunities (e.g., tri-council/OGS funding).
c) Evidence of collaboration with and support of undergraduate and graduate student presentations, publications, or creative activity	A pattern of collaboration with undergraduate and graduate students as evidenced by co-authorship on projects.	Evidence of a sustained pattern of collaboration with undergraduate and graduate students as evidenced by co-authorship on projects.

Tenure Consideration: Applies to Assistant Professors

- **Bylaw 22.4.5:** Any untenured faculty member at the Assistant level can be considered for tenure after two full years of employment in a probationary appointment at the University. In such cases, the faculty member shall initiate the process by making an application to the AAU Head by September 15.
- **The maximum length of employment at the probationary level is six full years of employment.**
- The last year for a tenure application to be considered, is during the sixth year of employment. In the 7th, the faculty member must have gained tenure.

Bylaw 22.4.6:

- A successful tenure application by an Assistant Professor will automatically result in promotion to Associate Professor. (Only one application is required).

Summary - Making the RTP Process Fair and Meaningful

- ***For applicant...*** be as complete as possible.
- **Put your best foot forward:** ensure your record is complete and accurate (e.g., avoid “double dipping” when itemizing achievements).
- If there is a discrepancy, you will be invited to present – this is a positive because this is your opportunity to present your case. It is NOT punitive.
- ***For committee members...*** be objective.
- Issues have and do arise because of personal conflicts.
- **UCAPT is intended to be the neutral party.**
