(GRADUATE STUDIES)

Excerpt from Bylaw 51 (last amended December, 2009)

2.6 Considerations for Health, Bereavement, or Extenuating Circumstances

Informal Request **STEP 1: MUST BE PURSUED PRIOR TO STEP 2 (FORMAL APPEAL)**

2.6.1 A student who wishes to receive consideration on matters affecting or shown to affect his/her academic performance, such as, serious health circumstances or bereavement based on medical or compassionate grounds, or unanticipated extenuating circumstances beyond the control of the student (e.g., jury duty, caring for an ill family member, labour disputes, etc.), should communicate with the Instructor as soon as possible, prior to, during, and subsequent to the examination period, or at the time when a student's performance is evaluated for the purpose of assigning a grade, taking into account the severity of the illness, bereavement, or other extenuating circumstance. The instructor may choose to handle the matter informally. Whether or not informal resolution is obtained, a formal request is also possible in accordance with paragraph 2.6.2.

Formal Request **STEP 2: USE ONLY WHEN STEP 1 HAS NOT RESOLVED THE REQUEST**

2.6.2 A student who wishes to receive consideration on matters affecting or shown to affect his/her academic performance, such as, serious health circumstances or bereavement based on medical or compassionate grounds, or unanticipated extenuating circumstances beyond the control of the student (e.g., jury duty, caring for an ill family member, labour disputes, etc.), should communicate with the Head of the AAU offering the course and Office of the Registrar as soon as possible, prior to, during, and subsequent to the examination period, or at the time when a student's performance is evaluated for the purpose of assigning a grade, taking into account the severity of the illness, bereavement, or other extenuating circumstance. A letter of rationale, requesting alternate evaluation or accommodation, and supporting documents (e.g. the attending physician's letter, the call to jury duty) must be submitted to the Office of the Registrar forthwith and will be forwarded to the Head of the AAU offering the course. The Head of the AAU offering the course shall consult with the instructor and make a recommendation to the Dean of Graduate Studies. If the Dean of Graduate Studies approves the recommendation, the Head of the AAU offering the course shall make appropriate arrangements for the alternate evaluation or accommodation. The Dean of Graduate Studies shall inform the student and the Office of the Registrar of the approved alternate evaluation or accommodation.

2.6.3 In the cases outlined in 2.6.1-2.6.2 above, the Instructor may grant an "aegrotat" grade on the basis of term work or assign an "incomplete" grade indicating what further work is required and the deadline by which such work must be completed. The instructor's response will be forwarded by the Head of the AAU offering the course to the Dean of Graduate Studies for final approval. The Dean of Graduate Studies shall inform the Office of the Registrar using the procedure followed for submitting final grades.

2.6.4 Stays

Following receipt of the letter of rationale and supporting documents by the Office of the Registrar, and until the Dean of Graduate Studies has communicated his/her decision to the Office of the Registrar, a stay on all decisions affecting a student's standing in a program or eligibility to proceed with a course of study, shall be in effect until a final decision has been reached. The Dean of Graduate Studies shall communicate his/her decision to the Office of the Registrar within four weeks of receipt of the letter of rationale and supporting documents by the Office of the Registrar.
