Invite you to . . .

Online Research: Challenges and Ethical Solutions

Date: Thursday, March 21, 2019

Time: 1:00pm – 3:00pm

Location: Oak Room, Vanier Hall

Hear from a panel of researchers who have first hand experience of the challenges of on-line research and how they responded to these problems effectively and ethically.

Representatives from Qualtrics, the University of Windsor REB and IT Services will be available to answer your questions about on-line research and what support is available to help you be successful with an on-line research project.

Refreshments will be provided.
