Do you have a leadership story to tell? Do you have experiences that you believe will help develop and inspire minds? Are you interested in improving your leadership skills, practicing public speaking, networking with other students, and sharing your experiences?

Welcome to the Diversity in Leadership 2019 Conference at the University of Windsor!

Let's work together today to create a legacy, and be a part of something that truly has no limits. This is an opportunity of a lifetime, to not only share your vision, but also learn from others, meet new people, and have fun!

This is a high-energy conference! It is managed by the students, for the students, to show that there is no age limit to becoming a great leader. Leadership has no age, gender, or ethnicity and the Diversity in Leadership conference aims to capitalize on these ideals. Be a part of this extraordinary new opportunity! We're happy to have you join us!
