

Change the course banner image

1. On your course homepage, hover over the right of the banner image until you see three dots appear. Click on those dots.
2. In the drop-down menu, select **Change Image**.

3. From the **Change Image** dialogue box, use the **Search** bar to find an image relevant to your course by typing in a key word and pressing **Enter** on your keyboard. (If you prefer, you can upload an image from your computer by clicking the **Upload** link in the top right.)
4. Select an image by hovering over it and clicking on the **Use this image** box that appears. The image will be placed in your banner.

Note: If you choose to upload your own image to use, the recommended size is 2400 x 960 pixels
