PROGRAM HIGHLIGHTS

Greek and Roman Studies **H C**

We bring ancient history to life in a program that would make Indiana Jones jealous. Travel to Greece to take part in an archeological dig, visiting famous landmarks and experiencing history first hand. You'll learn about every aspect of Greco-Roman antiquity— language, literature, art, architecture, philosophy, politics, science, medicine, myth and religion — in a close-knit department with professors who care about your success.

MIN. AVG.* 70% ONTARIO COURSE REQUIREMENTS
ENG4U required.

Interdisciplinary Arts and Science **H**

If high achievement is in your DNA, this elite program is for you. It's for students who want to develop knowledge and skills in the sciences and the arts, humanities and social sciences. You can tailor your program to match your interests and career aspirations. Our students go on to do research or graduate degrees in their field. This program is small by design to give your talents the attention they deserve.

MIN. AVG.* 80% ONTARIO COURSE REQUIREMENTS
ENG4U, MHF4U, and two from SBI4U, SCH4U or SPH4U. MCV4U is strongly recommended.

FUNCTIONAL KNOWLEDGE

- Investigating and understanding the roles of religion, language, and tradition in societies past and present
- Determining and articulating the effects of historical peoples and events on modern cultures and practices
- Applying thorough knowledge of the past to predict future behaviour and make recommendations for best practices in a variety of fields
- Understanding the ways in which various social, cultural, and community groups interrelate
- Appreciating the respective roles of various governmental, cultural, and social institutions
- Understanding significant differences between groups, societies, religions, and cultures and using this knowledge to identify similarities and bridge differences in the workplace and elsewhere

H Honours **C** Combined Honours programs available * Minimum grade point average for admission to program. A higher average may be required.

BUILD YOUR SKILLS AND EXPERIENCE

Your UWindsor experience is more than attending classes. It is a combination of academics, co-curricular activities, and extracurricular involvement. By making the most of all three elements of your

university experience, you will maximize your opportunities to build your skills, broaden your personal network, and clarify your long term academic and career goals.

CAREER PLANNING CYCLE

Intentional career planning will help you prepare for your next step after graduation and beyond. It is a fluid, dynamic, and lifelong process. You can move on or return to an earlier stage in the cycle at any time.

	CURRICULUM Courses of study specific to each program
	CO-CURRICULAR Activities and experiences that complement coursework (Outstanding Scholars, peer mentoring, VIP)
	EXTRACURRICULAR Activities falling outside the scope of set curriculum (Part-time job, clubs, volunteering, athletics)

EXPLORE OPPORTUNITIES USING THIS CHART

Explore a selection of opportunities recommended for students in your program. This chart shows some of your many options – you don't have to do everything on it or limit yourself to it. Engage in opportunities from each of the three categories to set yourself up for success.

HIGH-IMPACT PRACTICE (HIP)

A HIP is an enriching educational experience that can be life-changing and often includes learning outside of the classroom while encouraging meaningful interaction and collaboration, such as:

- Co-op, internship or field experiences
- Research with faculty
- Culminating senior experience
- Capstone courses
- Service-learning
- Learning communities
- Study abroad

LIFE AFTER GRADUATION

“

This program taught me to be an independent critical thinker and to articulate myself in speech and writing while always remaining attentive to detail. The faculty worked with me individually to ensure I could succeed beyond my undergraduate degree by providing me with enriching educational experiences both in the classroom and in Greece. The program prepared me to participate effectively in the modern Western world by guiding me through its philosophical, historical, and cultural origins.”

Jeffrey Masse - BA (Honours) in Greek and Roman Studies with Minor in Philosophy [2016]
