Life After Graduation

My four years spent in the Visual Arts department contributed positively to my development as a person, an artist, and a citizen of Windsor-Essex County. Through my education, I was fortunate enough to meet a number of likeminded young artists, with whom I would collaborate for years to come. I have also witnessed the true dedication of SoCA's faculty members, some of whom I have remained in contact with for many years. Visual Arts at Windsor is a unique program and I am proud to call myself an alumnus."
