

Sample Collaborative Model Peer Review Feedback

Name of Writer: _____

Name of Reviewer: _____

Notes from the Writer to Reviewer:

What do you think is working well in this piece of writing/assignment? What are you concerned about? What do you need help with? What other feedback would be help to you? Be as specific as possible to assist your reviewer to know in what areas you are looking for feedback.

Feedback from the Reviewer

Rubric from the Assignment

Component (input assignment criteria here)	Select 1 For Each Criteria		
	Needs Significant Work	Needs Some Work	Needs Little/No Work

Notes from the Reviewer:

Remember: Be constructive and positive.

Consider the writer's comments above; respond to their questions/concerns. Reflect on your completion of the rubric. What feedback can you provide based upon each criteria area? In areas where you identified "needs little/no work" share your insight (i.e., what are the strengths in this area). What constructive feedback can you provide about changes in areas that need some or significant work? Is there anything else you want to highlight?

Writer's Action Plan:

How will I (the writer) respond to the reviewer's suggestions? What are the next 3 steps I will take?

- 1.
- 2.
- 3.

Writer's additional comments: *Describe further any additional insight you obtained from the review. If you have chosen not to address suggestions or ideas from the reviewer, outline your thoughts below.*
