# Diversity

---

*To be completed during Week 1*

**Student diversity refers to differences in ethnicity, culture, religion, socio-economic status, family structure, sexual orientation, physical ability, learning abilities, and individual differences.**

**Consult with your Associate Teacher, and document the types of diversity that students show in your classroom.**

**Reflection Questions:**

- 1) How does Student Diversity impact the classroom?**
- 2) How has your associate teacher welcomed diversity?**
- 3) How can you successfully integrate student diversity into you classroom culture and pedagogy?**
- 4) Make a list of diverse resources.**
