
Individual Education Plans

To be completed from Week 3

What is an Individual Education Plan (IEP)?

What is the process for developing an IEP for a student?

What is the difference between an accommodation and an IEP?

With the permission of your Associate Teacher, look through an IEP for one of the students in your class.

Who was involved in writing this IEP?	
What are the identified areas of strength?	
What are the identified areas where extra support is needed?	

What accommodations are outlined?	
--	--

Reflection Questions:

1) How are the accommodations and modifications taken integrated when lesson planning?
