
The Classroom Setting

To be completed during Week 1

Observations

Setting Element	Evidence
a) What is the structure of the classroom? (ex: Open Concept)?	
b) How are the student seats arranged?	
c) Where is the associate teacher's desk located?	
d) What other areas do students have to work, either individually or in groups?	
e) What evidence of student identity is displayed in the classroom?	
f) What evidence of classroom management do you see?	
g) What learning tools and resources are readily available and accessible to your students?	
h) What technology is available in your classroom?	

Reflection Questions:

- 1) How are teaching and learning affected by the classroom setting elements?**
- 2) How are interactions (student to student, student to teacher) affected by the seating plan?**
- 3) What strengths do you believe your classroom setting has? What challenges?**
