Employee Recognition Awards

Impact Award

Purpose of this Award:
To recognize individuals or teams who have developed, revised and/or implemented a system, tool, process, initiative and/or program within their departments or across the University that had a positive impact.

Eligibility:
Full- or part-time permanent employees and/or a team of two or more permanent employees.

Award Recipient 2018 – UWinsite Project Implementation Team

The table below lists the University of Windsor permanent employees who are part of the UWinsite Project Implementation Team. Collectively, the team developed and implemented UWinsite Finance, UWinsite Student, UWinsite Engage and UWinsite Service.

In addition to the individuals listed, the University would like to acknowledge the contributions of the many student employees, temporary employees as well as the Deloitte consultants to the achievement of the project.
