ELIP helped me lay the foundation of foreign language communication and present as the first beacon which lights up the road ahead of my academic career.

Yue Gou

Yue attained a Master's degree in Medical Biotechnology and is a student of the Master of Science program.

It was a perfect course that prepared me for my graduate program. It helped me to express and communicate my ideas clearly, and it gave me all the tools that I needed to be successful in my future studies.

Alaa Kok

Alaa is a student in the Master of Engineering program.
