Campus Community Police – FAQ's

Who are Campus Community Police?

Campus Community Police are sworn Special Constables. They have police officer authority on campus and provide effective law enforcement and security services to the University of Windsor. They work in partnership with the University community to provide a safe and secure learning environment.

Where is the Campus Community Police office located?

The office is located at 2455 Wyandotte St W, Sunset entrance (in the Joyce Entrepreneurship Centre).

How can I contact Campus Community Police?

Campus Community Police are available 24/7/365 and can be contacted in an emergency by dialing **Ext. 911** on your office extension or in a non-emergency by dialing **Ext. 1234**. Numerous blue emergency poles and emergency phones are located across campus and provide a direct link to Campus Community Police. If you have a question, you can email cpolice@uwindsor.ca. This email account is not monitored 24/7 so please call our emergency or non-emergency lines for immediate assistance. We can also be contacted on Facebook (facebook.com/uofwcampuspolice) or Twitter (@uowcampuspolice).
How can Campus Community Police help me in an emergency?

Campus Community Police host an emergency notification program called UWindsor Alert. If you register in the program you can receive a notification in the event of a campus emergency. The notification may advise you to avoid an area on campus or may ask if you need assistance evacuating an area should an incident occur near your location. Register your cell phone number today and indicate if you would like messages as a text or as a phone call. You will automatically receive an email via your university email account.

What can Campus Community Police do for me?

As part of our focus on the campus community we emphasize crime prevention initiatives. Campus Community Police promote and encourage the use of crime prevention focused programs such as cyber security/identity theft prevention, WorkAlone Service, Personal Safety on Campus - Safe Lancer App, safety assessments, and video camera monitoring. These are just some of the examples of programs Campus Community Police use to help combat crime on our campus.
