EPICentre  
Entrepreneurship + Practice + Innovation

## ENTREPRENEURSHIP PRACTICE AND INNOVATION CENTRE (EPICENTRE)

**LOCATION:** EPICentre operates two facilities on campus. Our main facility is located on the 2<sup>nd</sup> floor of the Joyce Entrepreneurship Centre. This multi-disciplinary space is dedicated to innovative startups and students participating in EPICentre's programming. Our makerspace, the EPICentre Makerspace, operated in partnership with the Faculty of Engineering, is located in Room 1110 in the Ed Lumley Centre for Engineering Innovation. The makerspace is equipped with a variety of equipment and tools that allow students and participants to tinker on projects, to learn new skills, and to create prototypes.

### WHAT DOES THE EPICENTRE DO?
