

University of Windsor Residence Services

OUR MISSION

To provide a safe and comfortable living environment that promotes and supports resident engagement, growth, and achievement.

OUR STUDENTS

We are proud to offer on-campus living to first year, upper year, exchange, graduate, domestic and international students.

LIVING LEARNING COMMUNITIES

Living Learning Communities are developed to provide a more enriching learning experience both academically and through community engagement. These residence communities typically offer students of the same faculty additional resources, peer tutoring, programming/tutorials, and more!

Any faculty members seeking more information or interested in getting involved are encouraged to contact Lynn Charron at lcharron@uwindsor.ca

RESIDENCE CURRICULUM

EDUCATIONAL PRIORITY

Residence Services fosters an environment of personal growth that supports students to become academically and socially responsible individuals who are engaged in the campus and broader communities.

PERSONAL GROWTH

Residence students enhance their knowledge of self and develop the skills necessary for success

Through participation in purposeful experiences, students will be able to:

- Describe aspects of their identity
- Identify personal strengths and areas for improvement
- Identify actions to achieve one academic, one personal and one career goal
- Demonstrate three strategies/skills that are fundamental for success in daily life
- Demonstrate an interpersonal skill/strategy that is critical for academic/personal success
- Identify three personal strategies that can support their overall well being

CAMPUS ENGAGEMENT

Residence students gain the knowledge of campus resources/opportunities, take responsibility for their individual experiences and become engaged in the UWindsor community

Through participation in purposeful experiences, students will be able to:

- Describe resources available on campus that support academic and personal success, career exploration and well-being
- Exhibit a sense of belonging within a residence and/or the campus community
- Describe their involvement in residence and/or on campus

SOCIAL RESPONSIBILITY

Residence students gain the knowledge and skills needed to become socially and civically responsible citizens in their communities

Through participation in purposeful experiences, students will be able to:

- Explain how their actions and decisions affect their community
- Describe learning emerging from their participation in a community service/engagement project
- Describe a key issue impacting their community and actions they can take to affect change
- Explain what it means to be, and the importance of being, a contributing member of a community
