NOTES

- An appropriate Academic Standing Committee within each Faculty reviews the academic record of each student and makes academic decisions as appropriate in light of the cumulative and major averages achieved. For FAHSS, the evaluation occurs at the conclusion of the Winter term.
- A student who has been required to withdraw may not register in the program from which they have been required to withdraw for twelve months.
- The student must apply for re-admission online through UWinsite Student by the appropriate deadline date for the term desired and must include a statement of rationale, and documentation of academic success elsewhere.

- Re-admission to a program is not automatic and will be dependent upon an assessment of the applicant's prospects for successful completion of the program.
- If re-admitted, the student will be placed on academic probation and must raise the cumulative and major averages in accordance to the academic standing policy by the next evaluation period.
- A student who has been required to withdraw a second time will not be eligible for re-admission to the program.
