- Grace Edinger, Environmental Policy Innovation Center*
- Sanjiv Sinha, Environmental Consulting & Technology, Inc.*
- 4:45-5:00 PM Conference concluding remarks and next steps
- 5:00 PM **Reception** - Sponsorship recognition and select comments at reception

There is no fee for attendance at State of the Strait, thanks to generous sponsors of this year's event. However, registration is required. Morning coffee and pastries, coffee breaks, lunch, and reception will be provided to registrants.

A poster session will be available during lunch, coffee breaks, and the reception. The session will showcase community science projects on the Rouge and Detroit Rivers from local high school students working with Friends of the Rouge and University Prep Schools, as well as a wide range of relevant research projects from university students and faculty.
