# 2025

CELEBRATING UWINDSOR GRADS

## The Tradition of Convocation

The University of Windsor, like all North American universities, is rooted in academic traditions that date back centuries. The ceremony of Convocation -- literally a 'calling-together' of the academic community, reflects this enduring legacy.

### The Mace

The mace represents continuity and stability. The Mace-bearer or Beadle symbolically ensures order. Our Mace-bearer carries the mace in the Convocation procession preceding the Chancellor and the President and Vice-Chancellor.

### Smudging

Smudging involves the burning of substances such as sweet grass, cedar and sage.

This practice is based on traditional Indigenous beliefs that the smoke produced is a means of purification and to create a positive mindset for those involved in the activities. The smoke and scent produced during a smudge is minimal and often dissipates quickly.

# 2025 Distinguished University Professor

**Prof. David Tanovich**  
Faculty of Law

One of Canada’s foremost criminal law scholars, David Tanovich has enhanced the reputation and impact of Windsor Law and the University of Windsor for over 22 years.

As one nominator pointed out, “the breadth of Professor Tanovich’s legal scholarship is truly remarkable. He has made significant contributions to the Canadian academic literature in the areas of: legal ethics, evidence law, criminal law, criminal procedure, feminist legal scholarship, and constitutional law.”

Scholars, courts, students, practitioners and policy-makers have especially relied on his analysis of the law of sexual assault and racial profiling in Canada. His work concerning the ethical limits of cross-examinations of sexual assault proceedings has benefitted women across the country. His ground breaking research about anti-Black racism in criminal proceedings both changed legal practices in Canada and new areas of research inquiry.

It is now almost common place that criminal scholars and courts consider the impact of gender bias and anti-Black racism on legal proceedings, but 20 years or so ago, David Tanovich was the sole consistent voice addressing these discriminatory practices. As another nominator

put it, Professor Tanovich has moved “the justice system towards its aim of justice for all through engagement with the legal community as well as the broader public.”

Professor Tanovich has written over 100 books, articles, case comments and media pieces. He has also litigated leading cases before the Supreme Court of Canada and the Ontario Court of Appeal which have been cited by Canadian courts almost 3,000 times. In 2017 Professor Tanovich was inducted into the Royal Society of Canada, one of the highest honours that can be bestowed upon a scholar. In 2019, he was awarded the Mundell Medal which is granted by the Attorney General for exceptional contributions to legal writing.

Professor Tanovich is also an extraordinary colleague and teacher. He never hesitates to serve on faculty or university committees and he is always available to students. In the words of a recent law school graduate, “Professor Tanovich teaches with passion and has made criminal law come alive for generations of law students at Windsor Law.”

David Tanovich’s impactful scholarship, dedicated teaching, and outstanding service to the university community render him a most worthy recipient of the rank of Distinguished University Professor.

# Installation of

**J.J. McMurtry, PhD**

as

**Eighth President and Vice-Chancellor**

Dr. J.J. McMurtry is the eighth President and Vice-Chancellor of the University of Windsor. His official installation ceremony will be held during the first Fall 2025 Convocation session.

A seasoned academic leader and professor, President McMurtry brings to the role a deep commitment to equity, innovation, and student success.

He previously served as Dean of the Faculty of Liberal Arts and Professional Studies (LA&PS) at York University, one of Canada’s largest faculties, where he led major initiatives in curriculum development, research advancement, and community engagement.

President McMurtry holds a PhD and Master’s degree in Social and Political Thought from York University, and an Honours BA in History and Philosophy from the University of Guelph. He has held graduate faculty appointments at institutions including OISE, the University of Toronto, Cape Breton University, and Wilfrid Laurier University.

During his tenure at York, Dr. McMurtry led a broad range of initiatives focused on student support, curriculum innovation, and research excellence and growth. Under his leadership, LA&PS secured multi-million-dollar advancement donations to support student success and research, achieved financial growth and stability through the pandemic, and launched major academic campaigns, including launching multiple new programs and curriculum, and ongoing campaigns for endowed Chairs focused on research in Indigenous and diasporic communities.

Throughout his academic career, President McMurtry has maintained an active presence in research and curriculum development, particularly in the areas of cooperative studies, alternative energy, economic theory and practice, and the social and solidarity economy.

# National Anthem

O Canada! Our home and native land!  
True patriot love in all of us command.  
With glowing hearts we see thee rise,  
The True North strong and free!  
From far and wide, O Canada,  
We stand on guard for thee.  
God keep our land glorious and free!  
O Canada, we stand on guard for thee.  
O Canada, we stand on guard for thee.

Ô Canada! Terre de nos aïeux.  
Ton front est ceint de fleurons glorieux.  
Car ton bras sait porter l'épée,  
Il sait porter la croix!  
Ton histoire est une épopée  
Des plus brillants exploits.  
Et ta valeur, de foi trempée,  
Protégera nos foyers et nos droits,  
Protégera nos foyers et nos droits.
