Emergency outside of Canada or the United States (collect) - +519-742-3556

Everything you need to bring

Please bring your GreenShield Identification card and your provincial health card.

Some other important information you should know

Contact GSC Travel Assistance by phone, within 48 hours of commencement of treatment.

You will be asked to provide your travel assist group number and your GreenShield identification number. You will find your Green Shield identification number on the front of your GreenShield card and the travel assist group number on the back.

Plan details

Your travel plan covers you for 180 days per trip commencing on the date you leave your province of residence. The maximum is \$1,000,000 per calendar year.

Who is GSC's Travel Assistance provider?

CanAssistance is the international medical service organization that GSC has arranged to facilitate our travel claims processing. All of GSC's out-of-province/Canada claims are adjudicated and managed by CanAssistance. CanAssistance brings experience providing medical and general assistance for travellers over the past 30+ years with an extensive network of international partners like GreenShield. CanAssistance is a not-for-profit organization and delivers all call centre services from within Canada.
