**ARTICLE 4 - DISCRIMINATION AND HARASSMENT FREE WORKPLACE**

4:01 Whereas the parties agree that there will be no discrimination or harassment consistent with the provisions of the Ontario Human Rights Code and all other applicable legislation;

Whereas the parties agree that all employees are obligated to interact on the basis of mutual respect and any form of harassment, sexual harassment or discrimination will not be tolerated;

Whereas the parties reaffirm faith in fundamental human rights and in the dignity and worth of the human person:

The parties are committed to a discrimination and harassment-free campus and to providing a safe learning and work environment while maintaining a workplace that is free of discrimination and workplace harassment as required by the Occupational Health and Safety Act, the Ontario Human Rights Code and as outlined in the University's related policies and programs.

- (a) Discrimination  
Discrimination is defined as a distinction, whether intentional or not, based on grounds relating to personal characteristics of an individual or group, which has the effect of imposing burdens, obligations, or disadvantages on such individual or group not imposed upon others, or which withholds or limits access to opportunities, benefits, and advantages available to other members of society.

The parties agree that there shall be no discrimination, interference, restriction or coercion exercised or practiced with respect to any employee in any matter on the basis of race, creed, colour, age, sex (including pregnancy, gender identity, gender expression), marital status, family status, ancestry, place of origin, citizenship, place of residence, political or religious affiliation or beliefs, sexual orientation, same sex partnership status, receipt of public assistance, record of offences, disability, nor by reason of Union membership or activity.

(b) Harassment

Harassment is a form of discrimination and, in addition to the definitions provided under the Occupational Health and Safety Act and the Human Rights Code, is defined as:

- (i) vexatious comment or conduct in relation to a person or group of persons which has the effect or purpose of creating a hostile or intimidating working or educational environment when such treatment has the effect or purpose of threatening or intimidating a person;
- (ii) treatment that abuses the power that one person holds over another or misuses authority or such treatment has the effect or purpose of offending or demeaning a person or group of persons on the basis of creed, age, sex (including pregnancy, gender identity, gender expression), disability, marital status, sexual orientation, race, colour, ethnic origin, citizenship, place of residence, ancestry, place of origin, family status, same sex partnership status, receipt of public assistance, record of offences, political or religious affiliations or beliefs or by reason of Union membership or activity.

Harassment may occur during one incident, or over a series of incidents including those which, in isolation, would not necessarily constitute harassment. Harassment prevents or impairs the full and equal enjoyment of employment and education services, benefits and/or opportunities and may occur between people of the same or different status within the University community, regardless of age or sex. Harassment may also be directed at a group as well as at an individual. Harassment may be psychological, verbal, physical, and visual or may be all of these and may include, but not limited to, bullying, intimidating or offensive jokes or innuendoes, displaying or circulating offensive or intimidating phone calls.

Harassment does not include appropriate direction, delegation, or discipline, administered by a member of Management or designate.

(c) Sexual Harassment

Sexual Harassment is defined under both the Occupational Health and Safety Act and Human Rights Code and encompasses all forms of sexually inappropriate behaviour and sexual violence. These include, but are not limited to, sexual assault, threat of sexual assault, criminal harassment (including stalking and cyber harassment), relationship violence and gender-based misconduct.

The parties are committed to a campus free of sexual harassment. The parties recognize that sexual harassment often occurs in situations of power differential and that sexual harassment attacks the dignity and self-respect of the victim.

Sexual Harassment includes, but is not limited to:

- i) any unwanted sexual attention or behaviour by a person who knows or ought reasonably to know that such attention is unwanted; or
- ii) any implied or expressed promise of reward for complying with a sexually oriented request; or
- iii) any implied or expressed threat of reprisal, in the form either of actual reprisal or the denial of opportunity for refusal to comply with a sexually oriented request; or
- iv) any inappropriate verbal or physical conduct that has a focus on sexuality or sexual identity in what reasonably may be perceived as a hostile, intimidating or offensive manner; or
- v) the communication or display of material with a focus on sexuality or sexual identity which has the effect or purpose of creating a hostile, intimidating working or educational environment.

(d) Investigative Training

The Union shall appoint two (2) members who will conduct investigations on behalf of the Union. The Union and Employer representatives will participate in harassment training offered by the Unifor-Canada Human Rights Department as required. All costs of such training shall be incurred by the Employer.

(e) Filing a Complaint

If an employee believes they have been harassed and/or discriminated against on the basis of any prohibited ground they may request a stop of the behaviour, inform the individual that the behaviour is unwanted and unwelcome, document the events and/or report the incident to the Supervisor or Union Committee Representative.

However, it is also understood that some persons who allege discrimination or harassment may be uncomfortable or reluctant to confront their harasser. In this event, the complainant may seek assistance by reporting the incident directly to any Union Committee Representative or Representative of Management.

To ensure that a timely review/investigation can occur, it is understood that a member who has brought forward a complaint or who is the respondent to a complaint under this Article will participate in any investigation and will be accompanied by a Union representative to do so. If such member is absent from work due to illness, reasonable accommodations will be made to ensure their timely and ongoing participation in the process.

(f) Investigation - Informal

Upon receipt of the complaint, the Supervisor/Union Committee Representative will immediately inform the Labour Relations Manager. The Labour Relations Manager or designate and the Union Committee Representative will interview the employee jointly

and advise the employee if the complaint can be resolved immediately or if the complaint should be formalized in writing. If the parties disagree it will move forward to a formal investigation.

(g) Investigation - Formal

Should a formal complaint investigation be required by both parties an interview of the respondent, witnesses, and other persons named in the complaint will be conducted. Should the complaint involve sexual harassment or gender discrimination, the process may include an appropriate internal advocate as named by the complainant and agreed to by the parties. The investigation process will not exceed fifteen (15) working days unless by mutual consent of both parties. It is understood that the Union Committee Representative will not be the Union Chairperson.

It is understood and agreed that complaints into allegations of sexual misconduct, which necessitate a formal investigation will be conducted by an external investigator in accordance with the University of Windsor Policy on Sexual Misconduct. The parties will agree on the choice of external investigator prior to commencing the investigation.

(h) Resolution

If a joint investigation confirms that discrimination or harassment has occurred, immediate action will be taken to put an end to the discrimination or harassment.

The Labour Relations Manager or designate and the Union Committee Representative will provide their findings to the Associate Vice President, Human Resources or designate and the Chairperson of the Union. The Associate Vice President, Human Resources or designate will make a determination of appropriate resolution within twenty (20) working days of receiving the findings and will meet with the Union Chairperson to inform them of the resolution. It is agreed that the appropriate resolution will be consistent with the Collective Agreement and the Ontario Human Rights Code and all other applicable legislation.

Such resolutions will be enforced within sixty (60) working days.

The complaint, if unresolved, may be submitted by the Union to arbitration in accordance with the provisions of this Agreement. The parties agree that complaints should not be pursued through both the grievance and harassment complaint procedure.

(i) A complaint of this nature shall be promptly investigated, and appropriate action taken.

Every effort shall be made and maintained by all parties to treat the complaint in a sensitive and confidential fashion, consistent with providing reasonable information to the complainant and the person against whom the complaint is made as to the nature of the allegation, the progress of the complaint and its resolution or disposition.

Where the alleged harasser is the person who would normally deal with any of the steps of the complaint or grievance procedure, the complaint or grievance shall automatically be sent forward to the next step.

At no time during or after a discrimination, harassment or sexual harassment grievance

shall the grievor be removed from the area of the alleged harasser unless fully and entirely voluntarily requested by the grievor and without prejudice to the validity of the grievance

**ARTICLE 5 - UNION SECURITY**

## **ARTICLE 9 - SENIORITY**

### Preamble

For the purposes of the administration of this Article, the following definitions will apply:

Elimination/Eliminated: The termination of an employee's position on a permanent basis.

Fixed Term Layoff: The termination of an employee's position for a defined period of time with a predetermined end date not to exceed five (5) months.

Laid Off Employee: An employee who as a result of the displacement procedure cannot assume another position or elects to waive the displacement procedure.

9:01 (a) University-wide seniority shall be defined as length of continuous service with the Employer from the date of hiring and seniority rights shall be established after completion of the probationary period as defined in this Collective Agreement.

Bargaining-unit seniority shall be defined as the date the employee entered into Unifor 2458 PT Bargaining Unit.

(b) Copies of the University-wide and departmental seniority lists shall be provided to the Union Chairperson or the Local President or designate upon request. The lists shall include the seniority standing and position classification.

9:02 Pursuant to Article 9:04 of the Unifor Local 2458 Full Time Collective Agreement, the parties hereby agree that Unifor Local 2458 Full Time Bargaining Unit members cannot bump Unifor Local 2458 Part Time Bargaining Unit members.

9:03 Prior to the implementation of the provisions of this Article, the Employer will meet with the Union and will inform the Union of the Employer's intentions, including identification of the affected employee(s) and the reasons for the fixed-term layoff or elimination of the position(s). At this meeting, the parties will discuss possible alternative arrangements that may lessen the impact of layoffs on a without prejudice basis.

9:04 In the event a position within this bargaining unit is eliminated, the following shall apply:

(a) Prior to the elimination of a position within a department, temporary employees and students (**excluding Co-op and represented students**) within that department

performing work of the bargaining unit, then probationary employees within that job or probationary employees within a lower classification in the department shall be terminated.

- (b) An employee covered by this Agreement has the option to displace another bargaining unit member, in the same or lower classification, who has less bargaining unit seniority. It is understood that said employee(s) must be able to perform the essential duties of the position. In the event there are several employees working in the same position within the same department, the employee with the lowest seniority shall be bumped.
- (c) The employee must exercise their displacement rights or accept the layoff within five (5) business days following the date of notification of the elimination of their position. If the employee is on vacation or a leave of absence on the said date, the employee shall exercise the said displacement rights within five (5) business days following the date of receipt of such notification by registered mail, or any other means of delivery requiring the employee's signature for evidence of receipt.
- (d) When the employee has made their choice in (c) above, the employee who has been displaced will be given five (5) business days following the date of notification that they have been displaced, to exercise their displacement rights, or to accept the layoff. If the employee is on vacation or a leave of absence on the said date, the employee shall exercise the said displacement rights or accept the lay off within five (5) business days following the date of receipt of such notification by registered mail, or any other means of delivery requiring the employee's signature for evidence of receipt.
- (e) The procedure set out above will continue until there are no further possible displacements, or until enough employees have opted to take the layoff. It is understood some employees may have to exercise their displacement rights more than once.

**Note: An employee who bumps into a lower classification (excluding student positions) shall be entitled to wage protection for the first twelve (12) months in the lower paid position whereby the employee shall maintain their former rate of pay. At the conclusion of this twelve (12) month period, they shall assume the wage rate for the position into which they bumped.**

- (f) All employees affected by the above procedure, in going to a new position will be put into their new position on approximately the same date. The date for any one individual may be delayed to accommodate unforeseen circumstances beyond the control of either party; for example, illness or leave to serve as a juror.
- (g) The laid off employee will have recall rights or the employee may choose to accept severance and terminate their employment in accordance with the severance schedule in Appendix A, and the Employer shall have no further obligation to the employee.
- (h) (i) If a posted position has not been filled by a member of this bargaining unit, then all employees who have been laid off shall have the opportunity to be recalled in order of bargaining unit seniority provided such employee is at the same or higher classification than that carried by the vacant position. The Employer shall not fill any vacancy until all employees have had the opportunity of recall. The recalled employee must be able to perform the work to which they are being recalled. If, in the opinion of the Employer, the recalled employee is deemed not to be able

to perform the work they were recalled to within the twenty scheduled (20) day familiarization period, the employee will be returned to layoff for the remainder of their twenty four (24) month layoff period.

- (ii) Employees retain the right to recall for twenty-four (24) months and the Employer will pay eighty-five (85) percent benefit coverage, for those employees enrolled in any or all of the individual components of the benefits agreed to in Article 18:01(a)(ii), for a period of eighteen (18) months as provided in this Agreement and in accordance to the group plan from their most recent laid off date.
- (iii) The employee retains the right to recall for twenty four (24) months from their most recent lay off date. In the event an employee's position is eliminated during a fixed term lay off, the employee shall retain the right to recall for twenty four (24) months from the date they receive notification that their position is eliminated.

9:05 (a) In the event of a fixed term layoff, the least senior bargaining unit member within that position shall be laid off. The individual may elect to displace any probationary or student employee **with less seniority performing work of the bargaining unit** in the same or lower classification working in the department, subject to meeting the essential qualifications.

The laid off bargaining unit member shall have the right of recall to their former position, by seniority, should work become available during the fixed term layoff period.

(b) Notwithstanding the foregoing, the most senior employee will be given the option of accepting the lay off in lieu of a person with less seniority.

9:06 Any controversy over an employee's seniority or seniority rights shall be subject to the grievance procedure herein set forth.

9:07 The seniority of an employee shall terminate if:

- (a) The employee is discharged for just cause and not reinstated.
- (b) The employee resigns.
- (c) The employee is absent from work in excess of five (5) scheduled working days without notifying the Employer unless such notice was not reasonably possible.
- (d) After a layoff the employee fails to notify the Employer within three (3) regular business days after receipt of notice of recall their intent to return to work and/or that they are unable to accept the position due to illness or other reasonable cause. Reasonable cause shall not be interpreted as refusal to accept a position for which the employee is qualified. An employee must be notified by the Employer of recall by registered mail or any other means of delivery requiring a signature of the employee for evidence of receipt addressed to their residence. In the case where employees are currently working at the University, they will be notified by email confirmation by Human Resources and copied to the Union.
- (e) After a layoff an employee fails to report to the recalled position within seven (7) calendar days or such later date determined by the Employer.

- (f) An employee is laid off and their period of recall has been exhausted.
- 9:08 Continuous service or continuous employment shall mean unbroken employment and shall include: vacations and holidays, scheduled days off, absence because of illness or injury for a period of up to one (1) year, approved leaves of absence, lay offs, and suspensions. All periods may be extended by mutual written consent of the parties hereto.

- (c) The Employer will make every reasonable effort pursuant to the provisions of the Ontario Human Rights Code and, where appropriate, WSIB legislation, to accommodate employees coming within the scope of this agreement with suitable alternate temporary employment by reviewing, and if necessary, modifying their regular duties.
- (d) In order to accommodate an employee said employees' pre-injury position will be considered for modification. The goal will be to return the injured/ill worker to the essential duties of the pre-injury job. Modified work is temporary employment of a light

or modified nature, calculated to assist in returning the employee to full regular duties. Such modified work is considered transitory by its nature and, although without formal time limits, it is generally anticipated that the worker will return to their usual job functions in the near future.

- (e) Upon receipt of medical documentation indicating the employees' ability to return to work, the employee will meet with the representative from the Occupational Health and Safety Office, the Labour Relations Manager or designate, the employee's direct Supervisor and the Union Administrative Committee Member to discuss the employee's return to modified duties. There will be no offer of modified work until such time as medical documentation has been received. The parties recognize the importance of confidentiality of an employee's health information.
- (f) Where the employee has sustained a work related injury, the employee shall be required to co-operate with the Employer as prescribed by the Workplace Safety and Insurance Board.
- (g) The application of this Article will be pursuant to the Ontario Human Rights Code or WSIB Legislation as the case may be. Where there is a conflict between this Article and the relevant legislation, the provisions of the legislation will prevail.

#### **ARTICLE 25 – NEW MEMBER ORIENTATION**

- (b) It is agreed that on or shortly following the start date of the newly hired employee, a Union Representative shall have the opportunity to meet with the new employee for a sixty (60) minute period without loss of pay for the purpose of attending a Union Orientation session.
  - (c) Paid release time for the Union Representative to attend such meeting will be granted during their regularly scheduled hours where possible.

- (a) Any technological change made which has the effect of reducing the hours of operation, eliminating a job, job classification or position, creates a lay-off, or results in a demotion for one or more employee(s) shall be discussed with the Union two (2) months prior to the implementation of the technological change.
  - (b) The Employer shall provide the Union with the following:
    - (i) the nature of the technological change;

- (ii) the date on which the Employer proposes to implement the technological change;
  - (iii) the approximate number, names, and positions likely to be affected by the technological change;
  - (iv) the effect that the technological change may have on the employee's terms and conditions of employment;
  - (v) to the extent available, information will be provided about the number of new positions/classifications to be created as a result of the technological change.
- (c) The parties agree that introduction of new software is not considered technological change. With the introduction of new software, training will be provided to the affected employee(s).
- 26:03 Where new or greater skills are required than are already possessed by the affected employee(s) under the present methods of operation, such employee(s) shall be given a period of training, during which they may perfect or acquire the skills necessitated by the new method of operation.
- 26:04 The Employer will assume the cost of training and defray the costs of out-of-town travel for such training in accordance with the Employer's existing travel policy. There shall be no reduction in wage or salary rates during the training period of any such employee(s). Training shall be given during the hours of work whenever possible and may extend for up to six (6) months.
- 26:05 Employee(s) with one (1) or more years of continuous service who are subject to layoff or demotion under conditions referred to above, will be given notice of the impending change in employment at the earliest reasonable time in accordance with the provisions of Article 9.

#### **ARTICLE 27 - PROTECTION OF INTERESTS**

- 27:01 It is the declared intention of the parties hereto to provide for the job security of the employees covered by the term of this Agreement to the extent consistent with the obligation of the Employer to undertake the operations and administration of the University of Windsor in the most efficient and economic manner possible in order that it may satisfactorily discharge its public responsibilities. In consideration thereof, the parties hereto agree as follows:
- (a) The Employer agrees there will be no contracting out, outsourcing or elimination of any bargaining unit work to the extent that no Bargaining Unit employee who was employed by the Employer before August 31, 2027 and has completed their probationary period, shall be laid off by reason of the Employer contracting out the work being performed by such employee at the time of the contracting out, outsourcing or elimination.
  - (b) No job currently performed by a bargaining unit member will be reclassified as a non-bargaining unit job or as another Union's job as a direct or indirect result of a technological change.

27.02 Work of the Bargaining Unit

When there may be concerns regarding non-bargaining unit employees performing work of the bargaining unit, the Union Chairperson shall notify the Labour Relations Manager and if necessary, meet to review the concern and implement the appropriate action.

It is agreed that Supervisory and/or other personnel on the staff of the University, or employed by another firm or corporation employed by the University shall not undertake work normally performed by members of the bargaining unit except in the case of emergencies beyond the control of the Employer, or for the purpose of giving instruction.

The parties agree that the assignment of Temporary Employees in accordance with Article 3:02 (e) and (f) will not constitute a breach of this provision. Furthermore, Work Study students employed pursuant to and in accordance with the provisions of the Letter of Understanding titled "Letter of Understanding Regarding Work Study Student Employment" attached to this Agreement will likewise not constitute a breach of this provision.

Employees who are excluded from the bargaining unit and who perform clerical/secretarial/office duties considered incidental to their position or in conformance with past practice, are not considered in breach of this Agreement

**ARTICLE 28 – PAY EQUITY**

28.01 Steering Committee

- (a) Membership of the Steering Committee shall consist of two (2) representatives of the Union and two (2) representatives of the Employer. Representing the Union will be the Chairperson and a member from the Local Union. The National Representative may also attend as determined by the Union.
- (b) The Steering Committee will be responsible for maintaining the pay equity plan, which will include, but is not limited to, the following:
  - i) the Terms of Reference;
  - ii) the determination of the gender of the job classes within the establishment;
  - iii) the gender neutral Job Evaluation Plan;
  - iv) the Job Information Questionnaire;
  - v) the weights and points assigned to each factor in the Plan; and
  - vi) the banding of classifications.
- (c) The Steering Committee will also make final determinations on disputed job descriptions where the duties are in dispute between the employee and the Manager.
- (d) Members of the Steering Committee will not be raters on the JJEC.
- (e) The Steering Committee will annually review the process, evaluation tool, terms of reference and any other applicable material.

- (f) Information such as final position descriptions, evaluations, copies of the JJEC meetings, rating notes and other relevant correspondence will be shared jointly with the Committee.

28:02 Joint Job Evaluation Committee

It is hereby agreed that the process of job evaluation shall operate in accordance with the following terms and conditions with the Unifor Local 2458 Part-time having their positions evaluated by the existing Unifor Local 2458 Joint Job Evaluation Committee:

- (a) There shall be a committee for Job Evaluation consisting of four (4) members appointed by the Associate Vice President, Human Resources, plus two (2) alternates, and four (4) members appointed by the Union, plus two (2) alternates.
- (b) The evaluation of a position will be conducted by two (2) representatives of Management and two (2) representatives from the Union. A representative from the Union and Management will act as co-chairs at each meeting.
- (c) The Employer has the right to determine and assign work to reflect such assignments as, writing new job descriptions or revising existing job descriptions further to its right to direct the workforce.
- (d) All members and alternates of the JJEC shall be granted paid release to attend to the business of the JJEC including Hay evaluation training, as required.
- (e) The scheduling of JJEC members will be done on a rotating basis such that all members will be required to sit on at least 50% of the meetings.
- (f) The JJEC shall specify in writing, its criteria for deciding whether changes in position duties are substantial. It is agreed that an evaluation will not be necessary if the following occurs:
- adding a larger amount of a difficult task and deleting the frequency of performance of an easier one could affect the character of the job. In this regard added performance of higher skill must be more than incidental and infrequent.
  - an increase in work load as such will not provide a sufficient basis to warrant an upward adjustment in job points; similarly a decrease in workload does not support a downward adjustment.
  - the introduction of new equipment is not in itself enough to require an adjustment in job points except where the change in operations requires the employee to perform different work functions demanding greater skill.
- (g) The decision of the JJEC shall be by consensus. All members of the JJEC are to exercise their individual judgement that is free from bias. If consensus is not reached by members of the JJEC, the Union and Human Resources will be engaged for the purposes of reaching a consensus decision.
- (h) The decision of the JJEC shall be communicated to the applicant, the applicant's immediate supervisor, and the Union and shall not be subject to the grievance and arbitration process under the Collective Agreement.

- (i) The parties agree that it is not the role of the JJEC to resolve disagreements between management and the employee (s) regarding the content of a job and whether the job warrants re-evaluation.
- (j) Should the employee and the supervisor be unable to come to an agreement on the duties within the position description through discussion, the parties should contact the Union and the Labour Relations Manager.
- (k) If agreement is still not achieved on the duties within the position description, the parties shall convene the Steering Committee.
- (l) It is agreed by the parties that the Labour Relations Manager or designate's review of position descriptions is for content, structure and primarily to ensure duties are not being assigned that would result in exclusions as per subsection 1(3)(b) of the Ontario Labour Relations Act, 1995.
- (m) The retroactivity date of an employee's request for job re-evaluation will be the date on which the employee/supervisor submits their original request to the Department of Human Resources. Should the employee not submit a revised job description and summary of duties to Human Resources after three (3) months, the request will be considered withdrawn.

28:03

The procedure for evaluating a newly created position will be as follows:

- (a) In the case of newly created positions, job descriptions shall be written by the Dean/Department Head/Manager/ Supervisor and submitted to the Labour Relations Manager or designate for review who will convene a meeting of the JJEC.
- (b) Such positions will be evaluated by the JJEC and a rating established. In the event the evaluation results in the need for a new classification, the provisions in Article 14.07 shall apply.
- (c) The Dean/Department Head/Manager/Supervisor will attend the evaluation meeting to answer questions of the JJEC related to the duties of the new position. The JJEC shall evaluate the position to determine its appropriate point value before the position is posted.
- (d) Such final decision by the JJEC shall be binding on the Employer and the Union until the employee has been in the position for twelve (12) months.
- (e) The position description shall be reviewed by the incumbent and the immediate Supervisor once the incumbent has been in the position for twelve (12) months. This review will enable both parties to determine if the job description accurately reflects the duties that have been performed by the incumbent.
- (f) In the event, this review determines that the position duties have changed, the job description signed by both the incumbent and immediate supervisor will be sent to the Labour Relations Manager or designate for review prior to convening a meeting of the JJEC to re-evaluate the position.
- (g) If the position is evaluated at a higher classification level, the higher salary level will apply,

retroactively to the date of hire, or the date that can be clearly established on which the duties came into effect, whichever is later.

- (h) In the event, the JJEC determine that the evaluation of the position is two (2) or more classifications higher, the position will be posted and the provisions of Article 10 will apply. Further, the incumbent will be afforded their rights in Article 9 and will be considered for bumping at the level they were hired at, not the re-evaluated level.

If the position is evaluated at a lower classification level, the employee shall not suffer loss of wages and will be deemed to be 'green circled'.

28:04 The procedure for re-evaluation of existing position descriptions will be as follows:

- (a) Requests for re-evaluation of position descriptions shall be in writing with a copy to the immediate Supervisor and will be submitted in the first instance, by the applicant, to the Labour Relations Manager or designate, for review prior to convening the Committee to evaluate the job description.
- (b) The incumbent and/or supervisor will have five (5) working days after the receipt of the re-evaluation to request reconsideration. The re-evaluation of a position may be appealed to the "Appeals Committee" composed of the members of the JJEC who did not hear the initial re-evaluation.
- (c) The revised job description and a summary of changes must be submitted to the Labour Relations Manager or designate for review prior to convening a meeting of the JJEC. The summary of changes form will include all changes made to the job description since the last evaluation, which shall be easily identified.

28.05 If the position is evaluated at a lower classification level, the employee shall not suffer loss of wages and will be deemed to be 'green circled'.

28.06 In all cases, the Union shall receive copies of the final position descriptions and their evaluations as well as on a monthly basis, the copies of minutes of the JJEC meetings, rating notes and other relevant correspondence. The Employer agrees to forward to the Chairperson of the Union by the first of July annually a list indicating each employees' name, position, title, classification and the respective Hay Points.

28:07 Pay Equity Maintenance

The Union and the Employer acknowledge their ongoing responsibilities under the Pay Equity Act to:

- (a) establish and maintain compensation practices that provide for pay equity in accordance with Section 7 of the Pay Equity Act;
- (b) ensure that the Pay Equity plan between the parties is appropriately amended to reflect any change of circumstances which subsequently render the Plan to be no longer appropriate within the meaning of the Act.
- (c) ensure that pay equity is maintained for new and existing job classifications; and

(d) disclose relevant information to pay equity issues.

28:08 The parties shall meet once per year to jointly review the Pay Equity Plan and update it as necessary.

28:09 All positions that have not been reviewed by the Joint Job Evaluation Committee (JJEC) within the last five (5) years will be reviewed within ninety (90) days after ratification.

#### **ARTICLE 29 – DOMESTIC VIOLENCE**

This statement of intent is subject to a standard of good faith on the part of the Employer, the Union and the affected employees and will not be utilized by the Union or the employee(s) to subvert the application or otherwise appropriate disciplinary measures. Such information will be treated in a confidential manner by the Employer and the Union unless required by law to report.

Further, the parties agree to recognize one (1) female Unifor 2458 F/T member who shall be called upon to be the Women's Advocate. Upon obtaining permission from their Supervisor/Manager to leave (permission will not be withheld), the Women's Advocate will meet with the member who is experiencing an abuse situation or personal crisis as required, discuss problems with them and make necessary referrals. The objective of the Committee will be met by supplying information and intervention procedures to assist employees. This may involve referrals to the University's EAP provider or other local social service agencies. Emphasis will be placed on strict confidentiality for those being assisted.

The parties acknowledge that the Recognition Clause contained in Article 3:01 does not reflect the various proceedings including the recent OLRB. The parties agree that through these various proceedings the Recognition Clause was amended.

## **LETTER OF UNDERSTANDING #3 RE: PENSION CONTRIBUTIONS**

During 2010 collective bargaining, the Parties became aware of a grievance filed by CUPE Local 1393 regarding employee pension contributions. In consideration of the ratification of a renewal collective agreement by the Union, the Employer undertakes that it will not make any claim against any Unifor bargaining unit member or retiree to contribute any portion of pension shortfall on behalf of CUPE Local 1393 members pursuant to Section 3:03 of the University of Windsor Employees' Retirement Plan should the CUPE Local 1393 grievance succeed in any way.

## **LETTER OF UNDERSTANDING #4 RE: PENSION FUNDING POLICY AND CONTRIBUTION STABILITY IN RESPECT OF THE UNIVERSITY OF WINDSOR EMPLOYEES' RETIREMENT PLAN ("PLAN")**

1. The Parties, through the Unifor University of Windsor Joint Pension Committee (the "JPC"), agree to develop a pension funding policy that will apply to the members, former members, retired members, and survivors who are or were represented by Unifor under Plan (the "Unifor Members"). The purpose of the pension funding policy is to improve the Plan as it relates to the Unifor Members. The funding policy is to address any building of reserves and the management of deficits and excess assets, with the goals of maintaining contribution stability, long-term sustainability of the Plan, intergenerational equity amongst Unifor members, and when and as affordable, providing benefit improvements including access to early retirement pensions on a subsidized basis, and will address, among other matters as may be agreed:
  - The minimum funded status of the Plan on a solvency, going concern (including provision for adverse deviation) and hypothetical wind-up basis that is required to be maintained both before and after the funding policy would provide that the Plan could be amended to provide a benefit improvement;

- Other terms and conditions required to be satisfied before amendments to the Plan to provide benefit improvements;
  - The frequency and content of actuarial reporting on the financial status of the Plan; and
  - The role of the JPC.
2. The proposed effective date of the pension funding policy is July 1, 2023 and will provide that it may be amended by Unifor and the University. Once established, the pension funding policy will be incorporated by reference into the Plan text.
  3. The parties agree to meet no later than thirty (30) days from ratification. The terms of the funding policy must be settled by December 31, 2022, which deadline may be extended by mutual agreement of the parties.

The minimum blended rate will be implemented as soon as practicable after the date on which the next actuarial valuation for the Plan is filed with the pension regulator.
  5. The aggregate contribution to the Plan referenced in paragraph 4 shall be split equally between the University and active Unifor Members using a blended rate that maintains an equitable relationship between contributions and benefits.
  6. Should a dispute arise in the application of the pension funding policy, the issue shall be brought before an arbitrator versed in pension law.
  7. The parties agree to form the JPC. The JPC shall consist of one (1) member from each Unifor bargaining unit selected by each respective membership with an equal number of representatives selected by the University of Windsor. Until such time, meetings of the JPC and the PAC may be combined for efficiency.
  9. The parties acknowledge and agree that the Joint Union Pension Negotiating Committee referenced in the Collective Agreements for the Local 444 and Local 2458 (Engineers) is not operative.
