

# HOW TO BE A GOOD ROOMMATE

## COMMUNICATION

- Work together to develop some house rules
- Listen to your roommates' requests and concerns
- Express your concerns before they become problems
- Consider the agreed-upon guidelines on your day-to-day activities

## CLEANING

- Create a cleaning schedule
- Wash your dishes after you've finished using them
- Separate toiletries (EX: toothbrush)
- Do NOT let your garbage can overflow

- Mice can carry bacteria, parasites and viruses
- Contact your landlord if you spot a mouse infestation in your house

- Bed bugs are active at night and usually bite people while they are sleeping
- Contact your landlord if you spot bed bugs

## PRIVACY & HABITS

- Be considerate of your roommates' privacy
- Discuss a guest policy
- Notice your roommates' studying and sleeping habits and respect them
