SHARON MUNRO is the Human Kinetics librarian at the Leddy Library. She is available to see students for one-to-one or group help with their research. She can also advise faculty members about bibliographic databases, library resources and other materials that may be useful for their research and classes. Sharon provides library instruction classes that are specifically tailored for Human Kinetics courses. She is responsible for buying library materials for Human Kinetics and welcomes suggestions and advice from faculty and students. She liaises regularly with the Human Kinetics faculty bibliographer about library materials and new development/programs in the Faculty of Human Kinetics that require library resources. Sharon can be reached via email at: smunro@uwindsor.ca or by telephone at ext. 3850.

The following Leddy Library guides may be useful to faculty and students in Human Kinetics:

Access to the Library

The Leddy Library occupies two buildings and is accessed via the entrance on the south side of the main building. The entrance is ramped to facilitate wheelchair access. Inside, all floors in both library buildings are serviced by elevators. The two buildings are connected by a walkway on the first and second floors. In the Main Building, the elevators are located on the north side of the main stairway in the centre of the building. In the West Building, the elevator is located on the west wall beside the main stairway.

Universal washrooms are located on the basement floor in the Leddy West Building and on every floor in the Main Building.
