

University of Windsor
Faculty of Human Kinetics

Sessional / Overload Appointments – Fall 2022

REVISED

The Department of Kinesiology, Faculty of Human Kinetics, invites applications from qualified individuals who are interested in teaching the following courses:

KINE-3100 Motor Learning and Control Asynchronous Online	An examination of the processes which underlie the acquisition and control of goal directed human movement. Emphasis will be placed on 1) the factors that affect learning (feedback, attention, memory), 2) the simultaneous integration and coordination of body parts involved in movement execution and control, and 3) review of motor learning and control research. (3 lecture hours/week.)
---	--

For additional information, contact the Department of Kinesiology at 519-253-3000 x2430.

The application deadline is **Tuesday, August 2, 2022 at 4:00 pm**

If you are interested in applying for any of the above positions, please submit a CV and provide a cover letter to Dr. Jess Dixon, Head, Department of Kinesiology, University of Windsor, at shorne@uwindsor.ca.

Special Qualifications: Applicants will be assessed based on their teaching competence (demonstrated and potential) and academic credentials. A minimum of a Master's degree in an area relevant to the course(s) applied for is normally required.

The appointment to this position is subject to final budgetary approval.

The University of Windsor is committed to equity in its academic policies, practices, and programs; supports diversity in its teaching, learning, and work environments; and ensures that applications from members of traditionally marginalized groups are seriously considered under its employment equity policy. Those who would contribute to the further diversification of our faculty and its scholarship include, but are not limited to, women, Aboriginal peoples, persons with disabilities, members of visible minorities, and members of sexual minority groups, are encouraged to apply and to self-identify.
