Expected GA duties:

It is anticipated that the majority of Winter 2023 classes across the University will be held face-to-face on campus or have a face-to-face component. GA employees are expected to make themselves available to report for all assigned duties, both on-campus and online. The University of Windsor health and safety protocols and public health and safety regulations that are in place will be observed for any face-to-face or on-campus duties required to support Winter term 2023 courses. Refer to the University's Return to campus webpage (www.uwindsor.ca/returntocampus) for details about the policies in effect through the Winter 2023 semester.

Students cannot commence their GA/TA duties until email confirmation of the approval of their contract is received from Human Resources.

Eligibility Requirements:

GA appointments shall be offered to qualified applicants in accordance with the criteria specified in Article 12:03 of the Collective Agreement. In addition, the following are specific criteria required for the appointments above:

To be eligible for a Graduate Assistantship you must be a **registered full-time graduate student**:

- must be registered for the term of work at the time of hiring
- must maintain **full-time** registration throughout the term and must be in good standing in the degree program

GA appointments cannot exceed **140 hours total from January to April**. Refer to Articles 12, 13, and 14 of the CUPE 4580 Collective Agreement for eligibility details.

GAs and TAs are to provide support to students through online channels and remote meetings, and will not be holding face-to-face meetings with students, or even their GA/TA supervisor.

Specific requirements to support online delivery:

- must have access to a computer with a reliable internet connection with video and audio capabilities
- must be familiar with Blackboard and MS Teams or be able to acquire knowledge through training.

Required Qualifications: must have taken the course with 80% or higher OR have understanding of the subject material to be delivered in class; proficiency with Excel; highly organized and deadline-oriented.

Preferred Qualifications: have previously been a GA for the course;

Note that a student must maintain full-time registration throughout the term and be in good standing in MHK and PhD in order to hold a Graduate Assistantship. A full graduate assistantship requires an average of 10 hours per week for a maximum of 140 hours per semester. Refer to Articles 12, 13, and 14 of the CUPE 4580 Collective Agreement for eligibility details.

Also note that Graduate Assistants must apply each term by the application deadline, in accordance with Article 13:

"With respect to those students who have applied for and been accepted for Assistantships, the Assistant will not be paid for any shortfall of hours at the end of their respective program, provided the University has satisfied its obligation to post available positions each term in writing and on the AAU website and to offer the minimum terms of support in accordance with Article 13:01 (a) & (b) and provided that the Assistant has applied in writing or via e-mail by the application deadline for each term until they have received the minimum terms of support in accordance with Article 13:01 (a) & (b)."
