

The Faculty of Nursing, University of Windsor: MAKING A DIFFERENCE

Guiding Vision: The Faculty of Nursing is a premier centre for nursing education, recognized for advancing the discipline through its thriving research and scholarship activities.

Our Values Guide our Actions:

- **Caring:** Interpersonal relationships that promote the well-being of self and others.
- **Excellence:** Using the best evidence to achieve the best possible outcomes and to generate passion for nursing.
- **Innovation:** The exploration and implementation of creative and dynamic ideas that advance the health and well-being of individuals and populations.
- **Professionalism:** Professional growth, collegiality and teamwork.
- **Respect:** Honouring and embracing the uniqueness of each person and fostering an environment of inclusiveness, civility, trust and open communication.

Goals:

STUDENTS

We will inform and direct excellence in nursing education that is innovative and quality driven

SCHOLARSHIP/ RESEARCH

Achieve national and international recognition for excellence in research and scholarship that builds on faculty strengths

STAKEHOLDERS

Engage local to global stakeholders in strong collaborative relationships with the Faculty of Nursing

REPUTATION

Be recognized for excellence in teaching, practice, research and community relationships

SYSTEMS

Ensure stability and sustainability through the strategic management of resources to support our faculty, staff and students as they fulfill the mission of the Faculty of Nursing
