Sample: Full-time Student Course Schedule

Full time students must be registered in every term i.e. fall, winter, spring/summer. It is recommended that full-time students complete the program within three consecutive calendar years after the student’s first registration. Full-time students will pay full-time fees even if taking only one course in a semester. Nurse Practitioners must register their plan through the Ontario Primary Health Care Nurse Practitioner (CRDB) website, in addition to registering for the courses at the University of Windsor through UWinsite student.
