

Master of Nursing

Primary Health Care Nurse Practitioner

Field (MN/NP)

University
of Windsor
Faculty of Nursing

The Master in Nursing (MN) program is a collaborative **course-based** consortium degree program. Students will be prepared to provide collaborative and autonomous primary health care to individuals, groups or communities, with an emphasis on health promotion as well as illness/injury prevention. Students will develop advanced assessment, diagnostic and clinical reasoning skills in preparation for ordering and interpreting diagnostic tests, communicating diagnoses, prescribing pharmaceuticals, and performing other specific controlled procedures.

Essential Academic Requirements

- Must have a Bachelor of Science in Nursing or equivalent nursing degree (eg. BN, etc.) with a minimum 70% average in the last two years of their undergraduate program.
- Must have current registration with the College of Nurses of Ontario with no practice restrictions.
- Equivalent of two years of direct nursing (RN) experience in the last five years (>3,640 hours) completed by the application deadline
- Preference will be given to Ontario residents

Program Intake: Annually each September

Application Deadline: February 1st

Mode of Instruction: In Class/online/clinical placements

Placement Locations: Must complete clinical placements within the following locations: Windsor and the greater Windsor area, which encompasses Essex County, Chatham-Kent County and Lambton County (Sarnia region) only.

Application: www.uwindsor.ca/graduate

Program Length: Two years full-time or five years part-time
