

## NURSING STUDENTS

### TEMPORARY OPPORTUNITIES FOR EXPERIENCE IN DIRECT PATIENT CARE SERVICES

The Hospice of Windsor and Essex County supports, educates, and empowers those who are affected by or are caring for a person with a life-altering diagnosis in order to achieve their desired quality of life.

The Hospice operates two Residential Homes (Windsor and Erie Shores) which provides end of life care. Within each home, Patient Care Assistant Volunteers work with professional staff to provide physical and personal care to residents.

If you are interested in helping out temporarily in one of the Residential Homes as a Patient Care Assistant and have completed documentation for 2-step Tuberculosis Skin Test and immunization for measles, mumps as well as a Police Vulnerable Sector Check, please contact:

Lawna McDowell  
Coordinator of Volunteer Education  
lmcdowell@thehospice.ca  
519-974-7100, ext 2277

The Hospice will provide on the job training, completion of required agency paperwork, and screening for communicable diseases and Novel Coronavirus (COVID-19).

**NOTE:** If you have not completed the medical or police clearance requirements listed above, please consult with your medical practitioner and/or local police service before proceeding.
