

POSTED COURSES - WINTER – 2024

DEADLINE DATE: Tuesday, October 3, 2024
(Positions are subject to final budgetary approval and student enrolment)

In accordance with Section 54-07 of the 2017-2021 Collective Agreement, the Faculty of Nursing invites applications from qualified individuals to teach the following course(s):

COURSE	NURS 3970 Care of the Older Adult
TERM	January – April Section 1 and 2: Fridays 2:30-5:20pm In-Person / Hybrid
DESCRIPTION	Integrate conceptual frameworks and evidence underlying the study of pharmacotherapy, advanced counselling, and complementary therapies for complex client situations. Demonstrate substantive initiative, responsibility, and accountability in complex decision making.
QUALIFICATIONS	See below*

COURSE	NURS 2930 Mental Health Nursing
TERM	January – April Section 1: Wednesdays 8:30 – 11:20am In-Person / Hybrid
DESCRIPTION	Integrate conceptual frameworks and evidence underlying the study of pharmacotherapy, advanced counselling, and complementary therapies for complex client situations. Demonstrate substantive initiative, responsibility, and accountability in complex decision making.
QUALIFICATIONS	See below*

COURSE	NURS 4980 Palliative Care
TERM	January - April (1 section) Section 1 – Thursday 8:30-11:20am In-Person / Hybrid

DESCRIPTION	This course prepares the learner to apply a palliative approach to care for patients/clients/families who are experiencing progressive life-limiting illnesses and/or nearing end of life. The focus of this course is on the application of critical thinking and decision-making in the assessment and planning of evidence-informed person and family-centred palliative care and with emphasis on symptom assessment and management, communication, collaboration, psychosocial, cultural and spiritual support, loss and grief, and end of life care in the last days and hours. The learner will analyze ethical, legal, and systems-based issues in palliative care and nursing roles and responsibilities in coordinating culturally safe care across sectors and settings.
QUALIFICATIONS	See below*
COURSE	NURS 8620 Therapeutics in Primary Health Care II
TERM	January – April (1 sections available) Fridays 8:30am – 11:20am, 10:30am – 1:20pm, OR 1:00pm – 3:50pm In-Person
DESCRIPTION	Integrate conceptual frameworks and evidence underlying the study of pharmacotherapy, advanced counselling, and complementary therapies for complex client situations. Demonstrate substantive initiative, responsibility, and accountability in complex decision making.
QUALIFICATIONS	See below*

***Qualifications for posted courses:** Successful candidates must have appropriate academic credentials and teaching competence as set forth in Article 54:06(a) of the Collective Agreement, BScN, a graduate degree - must have a completed Master's degree, with PhD preferred (graduate degrees in nursing preferred), and be currently registered with the College of Nurses of Ontario.

Must be available to teach for the entire term, with no conflicting personal or work commitments.

The University of Windsor is committed to employment equity and welcomes applications from Aboriginal Peoples, persons with disabilities and members of the visible minorities. Male applicants are encouraged to apply.

Sessional Instructors currently on the roster (i.e. have been interviewed and approved to teach) must complete the online response form by the posting deadline at:
