### **Instructions to join the meeting through Microsoft Teams:**

- Plan to connect 10-15 minutes prior to the session start time. The session will start promptly at 10:00am.
- **Audio-Visual:** The link below will allow you to join through the Microsoft Teams App if you have this in your Microsoft Office Suite on your desktop **OR** it will give you the option to join through the internet on your browser (ie. Google chrome). This is the best option for the meeting as some of the presenters will be screen sharing. You do not need a webcam to view the meeting. Please keep your video “off” throughout the event.
- **Video Access through Microsoft Teams App & Audio on phone:** If you are worried about your internet bandwidth, another option to connect if you have the Microsoft Teams App is to use the link to get into the meeting and select the phone audio option – you add your phone number and the computer will call you, connecting you with audio for the meeting that syncs with the video. Remember to mute yourself on your phone!
- **Audio-only:** call the toll-free number below and follow instructions to enter the conference ID. If you don't get through, try a couple times.
