

Biology Building

Location

The Biology Building is located along the Alistair MacLeod walkway in the middle of campus across from Essex Hall.

Biology Building

Accessible entrance

The Accessible entrance is on the West side of the building.

On the West Side of the Building you will find an Accessible Lift. A valid prox. card or key fob is required for use which leads to the ground floor. From there, you can take the main elevator to any floor in the building.

Alternative Entrance

The East side of the building is intended for deliveries but remains an accessible entry with a ramp and automated doorways which lead to the main elevators as well.

Inaccessible entrance

The South and North sides of the building are inaccessible.

Biology Building Lift – Access and Operation

Access: Students, staff and faculty require a valid prox card or key fob to access the lift. This can be done by completing the Faculty Services Online request for Key /Card / Fob form.

Report problems with this lift to Facility Services, 519-253-3000 ext. 2850

Biology Building
