

CAW Student Centre

Location

Located on the north side of the campus, east of Huron Church Road. Nearby buildings include Dillon Hall and Memorial Hall, both located to the east.

CAW Student Centre

Main Entrance

The main entrance is located on the east side of the building. It is accessible with an actuator opening one door. External accessible entrances are equipped with Key2Access door openers allowing a visitor to open doors with their phone.

After entering that door, there is a vestibule which includes a public telephone, as well a staircase to the right which is across from the elevator.

- Going through the second set of doors in the vestibule, which has an actuator as well, persons enter into the main floor of the CAW Student Centre commons area. An information desk can assist with answering questions.

Alternate Accessible Entrances

There are three (3) alternate accessible entrances:

- The northwest entrance has a ramp and door actuator. External accessible entrances are equipped with Key2Access door openers allowing a visitor to open doors with their phone.
- East entrance facing Memorial Hall. This entrance has an actuator. External accessible entrances are equipped with Key2Access door openers allowing a visitor to open doors with their phone.
- South entrance facing Essex Hall and the Residences, it has a ramp as well as actuators. This is the entrance that leads to the University Computer Centre (UCC).
