

## Chrysler Hall Tower (CHT)

*Exterior view of Chrysler Hall Tower*

### Location

Located in the center of the campus between Chrysler Hall North and South. Nearby buildings include Education and Toldo both to the east.

*Map view of CHT highlighting accessible entrances, nearby streets, and buildings*

## Main Entrance

The main entrance to Chrysler Hall Tower (CHT) is accessible and is equipped with an actuator on the exterior door and inner door. A ramp on the east and west sides of CHT provides leads to the concrete deck which provides access to this entrance. Inside these doors is an elevator.

Note: the entire lower level and the second level of Chrysler Hall North (CHN), Chrysler Hall Tower (CHT), and Chrysler Hall South (CHS) are connected. This provides several access points to CHT.

*The main entrance is accessible on the north side - ground level with an actuator.*

## Additional Entrance

- An entrance with access to elevators is on the south side of CHT. It is **ground level** but not equipped with actuators.

*Additional entrance located on the south side of the building - ground level with no actuator.*

## Washrooms

Since CHN, CHT, and CHS are connected through the lower level and 2<sup>nd</sup> floor, accessible washrooms in all three buildings are listed below.

### Chrysler Hall North

Floor	Type
Lower level (wg12)	Universal

## Elevator

There is a set of two elevators in CHT. Both are equipped with braille on the interior and exterior and are equipped with audio announcing each floor and direction. The elevators provide access from the lower level to the 5<sup>th</sup> floor. The 6<sup>th</sup> floor has no elevator access.

The elevators are located through the main accessible entrance (2 sets of doors) and to the left.

## Emergency Evacuation Chairs

Located on the 6<sup>th</sup> floor immediately outside of the stairwell.

## Bike Racks

The closest bike racks are located at the Education building and Toldo building both to the east of CHT.
