

Dillon Hall

Entrances

The main entrance to Dillon Hall is not accessible.

Alternative Entrances

Entrances with stairs are located at all four corners of the building.

Accessible Entrance

The accessible entrance is located at the west side of the building, directly facing the CAW Building. An interior walkway provides access to the basement of the building and the elevator.

Washrooms

Basement Floor:

The men's and universal washrooms are located to the south of the ramp.

The women's washroom is located to the proposed elevator. First corridor to the right of the elevator.

First Floor:

The women's washroom is located to the left (south) of the east staircase.

The men's washroom is located to the right (south) of the west staircase.

The universal washroom is located to the left of the female washroom.

Second Floor:

The women's washroom is located to the right of the staircase.

The male and universal washrooms are located through the first hallway to the south of the staircase. Take the first corridor to the west of the hallway.
