

## Essex Hall

**Note that Essex Hall has double doors throughout the hallways for fire safety purposes. The double doors do not have an automatic door openers.**

### **Main Entrance**

The main entrance to Essex Hall is not accessible due to stairs. The main entrance is located on Alastair McLeod Walkway (formerly Patricia Road).

### **Alternative Entrances**

#### *Accessible Entrance*

The accessible entrance to Essex Hall is located on the west side of the building. To access the entrance take the pathway from Wyandotte Street East, leading to the west side of the building. Push buttons are available to open the accessible doors.

#### *Inaccessible Alternative Entrances*

Inaccessible entrances (with stairs) are located throughout the building. Entrances are located both at the north, south, west and east corners of the building.

### **Elevators**

Elevators are provided at the centre, north and the south sides of the building. Buttons are raised and grab bars are provided.

The central elevator can be found from the accessible entrance by travelling north, it is located in front of room M-07 (mechanical room).

#### *Basement*

Central elevator is located in front of room M-07 (Mechanical Room)

North elevator is located in front of room B-86.

#### *First Floor*

Central elevator is located south of the University Players Theatre.

North elevator is found in front of room 182-1 (Science Resource Centre)
