

Faculty of Law & Paul Martin Law Library

Entrance

The main entrance to the faculty of law is not accessible. Alternate entrances are available.

Accessible Entrances

The first alternative entrance is located northwest of the main entrance, west of the bike racks. This accessible entrance leads to an elevator.

The second alternative entrance is located on

University Avenue by the loading docks. This entrance too leads to an elevator. This entrance is optimal for individuals who are being dropped as sufficient space is available for parking a vehicle.

Elevator

Two elevators exist at the Faculty. The first is located by the alternative main entrance. The second elevator can be accessed through the loading dock entrance.

The first elevator services the following floors:

L: Room G102, G103 Judge's Chambers, universal washroom

1: Moot Court 1100.

Grab bars available. Audio of a bell upon arriving at selected floor.

All buttons are raised and in braille.

The second elevator services the following floors:

Lobby

Basement

First Floor

Second Floor

Washrooms

Basement Floor:

A universal washroom is located in the 1st elevator hallway directly across from room G102.

A universal washroom is located at the basement floor to the west of the entrance doors and the elevator. The washroom is located next to the IT office.

A standard male washroom is located to the left of the Career Services Office also at the basement floor.

A standard female washroom is located to the left of the Amicus Curie café.

First Floor:

A gender-neutral standard washroom is located next to the Dean's Office. Travel south from the corridor located next to the General Office. The washroom will be located at the end of the first hallway that crosses.

Water Fountains

Basement:

Water fountain is located to the south of the male washroom, next to Career Services Office.

First Floor:

The water fountain is located on the east wall, east of the library entrance.
