

Lambton Tower

Main Entrance

The main entrance to Lambton Tower, located on Turtle Island Walkway (formerly Sunset Avenue), has stairs leading to the entrance doors and is not accessible.

Alternative Entrances

An alternative accessible entrance to Lambton Tower can be found at the East side of the building. The accessible pathway begins from the pedestrian pathway that connects Turtle Island Walkway and Alistair McLeod Walkway (formerly Patricia Road).

Two stair cases service all floors of Lambton Tower. The first stair case is located by the main entrance to the building on Turtle Island Walkway. From the entrance doors walk to the right of the lobby.

The second set of stairs are located close to the accessible entrance on the East side of the building.

Elevator

The elevator services the floors: Ground floor – floor 10.

The elevator can be accessed through the accessible entrance on the first floor of Lambton Tower. Through the accessible double doors walk through the hallway and the elevator will be on the north side of the hallway. Call buttons are raised and floor numbers are available on the west side of the elevator door jamb. Inside the elevator, the floor buttons will be situated to the right side of the elevator doors. The floors levels on the buttons are raised and in braille.
