

Downtown Campus - Parking Garage on Pitt Street

Main Entrance:

- Standard entrance. There are no actuators. The pedestrian entrance from the sidewalk has a raised curb. There is a ramp from the inside of the parking garage.

Alternate Entrances:

- There are two staircases that one can take to get to the other floors. On the east side of the building, there is a staircase, but no elevator. On the west side (closest to the Windsor International Transit Terminal), there is a staircase, as well as an elevator.

The pay machine is located in a small vestibule that leads to the staircase (West side of the building). The pay machine is quite tall. There is ramp access to this vestibule.

Faculty & Staff Parking permits are available for parking in the Parking Garage. Students may also park in the Parking Garage.
