

St. Denis Athletics and Community Centre (St Denis Centre)

Location

Building is located at the corner of College and California Avenues. Surrounding building is the Human Kinetics building located directly west of the St. Denis Centre, the buildings are connected.

Entrance

The main entrance is located near the St Denis parking lot. This entrance is accessible with automatic door openers. The accessible main entrance consists of double doors with push buttons provided between the doors and on the exterior wall by the doors.

Alternate Entrance

There are two accessible entrances on the west side of the building facing the University of Windsor Stadium. These entrances are accessed by a ramp, but do not have any push buttons. Please note that the first entrance is usually opened to only varsity athletes and the second entrance is no longer open to the public.

Directory

The directory is posted on a standing sign, located at the main entrance.

Bike Racks

There is a bike rack near the St Denis Centre main entrance by the Forge Fitness Centre and is near the St Denis parking lot.

Washrooms

Barrier-free male and female washrooms are located on the right side upon entering past the front desk and first hallway.

Accessible male and female washrooms are located inside the male and female locker rooms. The locker rooms are found to the right of the stairs next to the Forge Fitness Centre.

Elevators

A lift is located to the left of the Forge Fitness Centre and accesses the male and female locker rooms and is used to access the Human Kinetics Building. Please note that a key card is required to use this elevator and can be obtained at the front desk. The elevator to the Human Kinetics building is located in the basement of the St Denis Centre. When taking the elevator near the Forge Fitness Centre, this elevator can be found on the left passed the seated cushions and vending machines.

Parking

Accessible parking is located in the St Denis (U) parking lot. This lot is accessed from College Avenue.
