2 nd (w200 & w201)	Multi-user, accessible: men's and women's (2)
3 rd (w300 & w301)	Single-user, accessible Note: no actuator

* Accessible and universal washrooms may vary due to the age of the building and evolving built environment standards.

Water Fountains

1st Floor

- **Accessible** water fountains can be found on the first floor by the Windsor Family Credit Union Student Lounge left of the elevators.

2nd Floor

- **Accessible** water fountain is located by the Clinical Learning Centre across from the elevators.

Elevator

Located on the north side of the building near the California Ave. entrance.

The elevator provides audible signals both inside and exterior of the elevator to note the floor that it has landed on as well as the direction of travel. Raised and braille floor number signage is provided on both sides of the elevator door jamb.

The elevator call buttons do not have braille or tactile numbering provided beside the call numbers. However, braille and raised numbers are present in the interior call buttons.

A raised star character indicates the main floor level.
